## **Management Accounting Colin Drury 6th Edition:**

**Management & Cost Accounting** Colin Drury, 2000 Drury's Management Cost Accounting is the only text you will ever need whether you are studying or teaching management accounting at undergraduate postgraduate or professional level. Since publication of the first edition in 1985 Drury's text has been the leading international textbook on the subject. Now publishing in its fifth edition Management Cost Accounting offers you and your students even more. Management Cost Accounting has the most comprehensive ancillary package available. The package for the fifth edition is better than ever before with both printed and web-based resources. The Drury website [www.druryonline.com](http://www.druryonline.com) is packed with valuable resources for you and your students. There are resources that are open to access for all and there are resources that are restricted to lecturers use only. When you adopt Management and Cost Accounting 5th edition you will receive a username and password to give you access to this restricted website. Management and Cost Accounting Colin Drury, 1996 The fourth edition of this management accounting textbook is for undergraduates post experience and professional students. It provides a blend of coverage of the technical and conceptual aspects of the subject. The use of a second colour throughout highlights key points and aids concentration and the package of main text students manual lecturers resource pack containing answers to questions and OHP masters and electronic support makes this a complete teaching and learning tool.
