Renewing Professional Librarianship William A. Crowley,2008-03-30 Can professional librarianship exist let alone thrive in the 21st century Does accreditation protect the profession or reduce it to a minor component of information science The prognosis is not good claims cultural pragmatist Bill Crowley with worse to follow unless library studies and information studies are viewed as separate cognate areas While an information centric definition may be appropriate for corporate information specialists he notes that academic public and school librarians are already suffering the effects of devaluation The remedy is to embrace a concept called lifecycle librarianship the ability to meet crucial public needs from the lapsit to the nursing home by honing the library s time honored role as a vital resource for reading and lifelong learning and he concludes with a series of recommendations for library associations library and information education educators and practitioners and a challenge for the reader to do something with them

Business Essentials Ronald J. Ebert,Ricky W. Griffin,1998 Appropriate for Introduction to Business The

revision of Essentials continues building on the key ideas of price and length. Instructors will now have time to cover all the necessary topics and also use the various support materials. The new briefer second edition continues to provide the essentials of business but also includes more updated current examples and references that help the student better apply his knowledge to real companies. Each chapter contains tables, photographs, and figures carefully chosen to illustrate in a visually appealing way the points and messages of the chapter. Important topics such as those presented in the following examples reinforce the essentials approach. Chapters 1 and 2 present business concepts to students and in Chapters 3, 4, 5 the legal, ethical, and global issues are introduced. Chapter 6, 7, 8 explore the management side and Chapters 9, 10 further discuss developing the human resource skills necessary to good employee relations. Chapter 12 expertly covers accounting and information systems. Chapters 13, 14, 15 combine the marketing aspects of producing goods and services. Chapters 16, 17 focus on the financial aspects of the banking, security, and investment community. *The Indian National Bibliography* B. S. Kesavan, 2006
