Fundamentals of Management Ricky Griffin, 2012-03-24 **Management** Ricky W. Griffin, 2012-05-01 Gain a solid understanding of management and the power of innovation in the workplace with Griffin's MANAGEMENT PRINCIPLES AND PRACTICES 11E International Edition. This dynamic book, known for its cutting-edge research and memorable examples, takes a functional approach to the process of management with a focus on active planning, leading, organizing, and controlling. This book's reader-friendly approach examines today's emerging management topics from the impact of technology and the importance of a green business environment to ethical challenges and the need to adapt in changing times. Using a proven successful balance of theory and practice, the author interweaves numerous new and popular cases and learning features as well as hundreds of well-researched examples to vividly demonstrate the importance of strong management to any type of organization.

Marketing Planning Guide Robert E. Stevens, 2006 THE CLASSIC guide to develop a marketing plan, completely updated. The newly revised Marketing Planning Guide Third Edition is the step-by-step guide that gives you the tools to prepare an effective marketing plan for a company product or service. With over 50 pages of updated material, this classic textbook has the solid foundation of knowledge and philosophy of the previous editions while adding essential new information on Internet marketing, business ethics, and an illustrative sample business plan. Worksheets at the end of each chapter guide you in creating your own plan. Once all the worksheets are completed, you will have roughed out your own complete marketing plan. The accompanying instructor's package includes a helpful manual, a detailed sample course syllabus, and a test bank featuring multiple choice and true/false questions for each chapter with answers. This edition of the Marketing Planning Guide contains clear tables and diagrams, is fully referenced, and has updated examples for easy understanding of concepts. It shows how to analyze the market, consumers, the competition, and opportunities; develop strategy and marketing objectives; make product, place, promotional, and price decisions; realize the financial impact of marketing strategies; implement audit and control your marketing plan. And now the Marketing Planning Guide Third Edition is updated to include extensive information on Internet marketing, new examples illustrating the process, a complete sample marketing plan, end-of-chapter worksheets providing step-by-step instructions, Internet data sources. This is the definitive book for marketing professionals who want to use a hands-on approach for learning the planning process. It will guide anyone through the steps of preparing an effective marketing plan.
