Human Aspects of Information Security and Assurance Steven Furnell, Nathan Clarke, 2023-07-25 This book constitutes the proceedings of the 17th IFIP WG 11 12 International Symposium on Human Aspects of Information Security and Assurance HAISA 2023 held in Kent United Kingdom in July 2023 The 37 full papers presented in this volume were carefully reviewed and selected from 54 submissions They are organized in the following topical sections education and training management policy and skills evolving threats and attacks social technical factors and research methods

Knowledge, Power and Young Sexualities Tamara Shefer, Jeff Hearn, 2022-07-27 This book troubles the ways young people have been constructed as trouble through critical readings of the effects and impacts politically and ideologically globally and locally of scholarship and practice directed at South African young people s sexualities over the last three decades of addressing HIV GBV and other sexual and gender justice challenges Located primarily in South Africa the book speaks to global concerns about the politics of knowledge and transnational flows of information and practice with respect to gender and sexuality and is framed by global imperatives and analyses located in transnational postcolonial and intersectional feminist frameworks The key argument developed here and explored in relation to several different forms of research and practice is that efforts to challenge HIV GBV and unequal sexual and gender practices among young people particularly as evident in heterosexual relationships have tended to reflect and reproduce re new ed orthodoxies about sexuality gender family and young people while bolstering global and local racist classist othering of certain communities and nation states and reiterating the innocence and authority of those already privileged and centred The book contributes to critical reflexive work on global practices of knowledge and its complex enmeshment with power in the terrain of sexual and gender justice work aimed at young people

A Research Agenda for Entrepreneurship and Context Friederike Welter, William B. Gartner, 2016-09-30 There is growing recognition that entrepreneurship can be better understood within its context s This carefully designed book invites readers to take a journey from reflecting critically on where the discussion on context and entrepreneurship stands today towards identifying future research questions and themes that deserve the attention of entrepreneurship scholars This collection draws attention to the research challenges the entrepreneurship field faces by reviewing the many facets of contexts and by reflecting on methods and theoretical approaches that are required in order to contextualize entrepreneurship research Students and academics interested in context and entrepreneurship will benefit from this far reaching and forward thinking book

Routledge International Handbook of Failure Adriana Mica, Mikołaj Pawlak, Anna Horolets, Paweł Kubicki, 2023-01-30 This Handbook examines the study of failure in social sciences its manifestations in the contemporary world and the modalities of dealing with it both in theory and in practice It draws together a comprehensive approach to failing and invisible forms of cancelling out and denial of future perspectives Underlining critical mechanisms for challenging and reimagining norms of success in contemporary society it allows readers

Systematic Approaches to Mental Health Care and Promotion Bach Tran, Roger C. Ho, Brian James Hall, 2020-06-05

Globally mental health problems remain as one of the largest contributors to the population burden of diseases According to WHO common mental disorders including depression and anxiety affect the health of about 9% of the world's population and account for over 10% of the total years lived with disability In many parts of the world the number of people with mental health disorders has been increasing fueled by a rapid population growth and aging as well as urbanization and immigration It is estimated that 80% of these non fatal diseases occurred in low and middle income countries However in such settings

coverage of both preventive and curative services is still very limited Diversity in socio cultural backgrounds and limited capacity of local health care systems are emphasizing the importance of systematic approaches to understanding and intervening in the issue Although the social economic and health burden of mental health issues are substantial effectiveness of policies and interventions is varied across regions and largely driven by contextual factors Evidence based prevention and treatment approaches involve the synthesis of epidemiological surveys assessment of clinical populations e g chronic medical diseases chronic psychiatric illnesses and studies exploring the role of biological markers in psychiatric illnesses This Research Topic aims to introduce the latest research findings on the application of system thinking in Mental Health Care and Promotion **The Messenger** ,1918 **Peterson's Guide to Four-Year Colleges, 1995** Peterson's Guides, Inc,1994-06 This year s edition of Peterson s bestselling guide features extended coverage of student life faculty and programs career planning services and financial policies in addition to the unparalleled detailed information on nearly 2 000 four year colleges that readers have come to expect **Community Series In Mental-Health-Related Stigma and Discrimination: Prevention, Role, and Management Strategies, volume II** Renato de Filippis,Mohammadreza Shalbafan,Samer El Hayek,2024-03-06 This Research Topic is the second volume of the Community Series In Mental Health Related Stigma and Discrimination Prevention Role and Management Strategies Please see the first volume here Despite the tremendous progress and successes achieved in diagnostics therapy and rehabilitation in psychiatry over the past few decades the stigma towards mental health patients their relatives and caregivers and healthcare professionals is still present Social stigma in particular represents a major obstacle to maintaining adequate mental health care This increases reluctance to seek help delays patients diagnosis and limits their compliance and adherence to treatment In the long term this reduces psychiatric rehabilitation effectiveness and causes a burden to healthcare providers and society alike The main goal of this Research Topic is to evaluate the impact and role of stigma in all its forms on individuals with psychiatric disorders their caregivers and mental health providers *Theory and Practice of Abstracting: Papers* Documentation Research and Training Centre (Bangalore, India),1968 **The Journal of Philosophy, Psychology and Scientific Methods** ,1916 **The Journal of Philosophy, Psychology, and Scientific Methods** Frederick James Eugene Woodbridge,Wendell T.
