Transforming Research Excellence McLean, Robert ,Tijssen, Robert,Wallace, Matthew L.,Kraemer-Mbula, Erika,2020-01-18 Modern day science is under great pressure A potent mix of increasing expectations limited resources tensions between competition and cooperation and the need for evidence based funding is creating major change in how science is conducted and perceived Amidst this perfect storm is the allure of research excellence a concept that drives decisions made by universities and funders and defines scientists research strategies and career trajectories But what is excellent science And how to recognise it After decades of inquiry and debate there is still no satisfactory answer Are we asking the wrong question Is reality more complex and excellence in science more elusive than many are willing to admit And how should excellence be defined in different parts of the world particularly in lower income countries of the Global South where science is expected to contribute to pressing development issues despite often scarce resources Many wonder whether the Global South is importing with or without consenting the flawed tools for research evaluation from North America and Europe that are not fit for purpose This book takes a critical view of these issues touching on conceptual issues and practical problems that inevitably emerge when excellence is at the center of science systems Emerging from the capacity building work of the Science Granting Councils Initiative in sub Saharan Africa it speaks to scholars as well as to managers and funders of research around the world Confronting sticky problems and uncomfortable truths the chapters contain insights and recommendations that point towards new solutions both for the Global South and the Global North **International Perspectives of Distance Learning in Higher Education** Joi L. Moore,Angela Benson,2012-03-16 This book written by authors representing 12 countries and five continents is a collection of international perspectives on distance learning and distance learning implementations in higher education The perspectives are presented in the form of practical case studies of distance learning implementations research studies on teaching and learning in distance learning environments and conceptual and theoretical frameworks for designing and developing distance learning tools courses and programs The book will appeal to distance learning practitioners researchers and higher education administrators To address the different needs and interests of audience members the book is organized into five sections Distance Education Management Distance Education and Teacher Development Distance Learning Pedagogy Distance Learning Students and Distance Learning Educational Tools Intra-Africa Student Mobility in Higher Education Chika Trevor Sehoole,Jenny J. Lee,2022-01-01 This book examines student mobility within Africa International student mobility is among the central activities of higher education internationalization As the number of international students increase so do the destinations in both number and geographic diversity Historically international student mobility has followed South North and North North patterns However recent literature show the growth in North South and South South patterns of student mobility There has also been a rise in regional mobility In what is referred to in the book as intra Africa mobility the books explores and analyzes the patterns of

intra Africa mobility based on seven African countries South Africa Kenya Uganda Nigeria Ghana Senegal and Egypt The editors and contributors address three central research questions Why did the students choose the country they are studying in Why did they choose the institution they are studying in What are their academic and social experiences in these countries and their respective institutions This book is the first comprehensive exploration of intra Africa student mobility in a field that traditionally centers on the Global North

Clinical Epidemiology of Chronic Liver Diseases Robert J. Wong, Robert G. Gish, 2018-10-24 This book emphasizes the clinical epidemiology of chronic liver diseases with a specific focus on the methodology of the discussed studies The whole spectrum of liver diseases is covered from chronic hepatitis B and C to hepatocellular carcinoma alcoholic and non alcoholic fatty liver diseases and autoimmune and cholestatic liver diseases Readers will find the most up to date information on clinical epidemiology of hepatology and will also be able to learn about important methodology and biostatistics information Each chapter contains a summary table at the end of each chapter that highlights the most relevant landmark studies their main outcomes and the unique features of the methodology The book will appeal to both practicing clinicians as well as clinical research investigators In addition this would likely be of interest to medical school or public health school students to learn about hepatology epidemiology but also some specific fundamentals of clinical research and clinical epidemiology

Transforming Higher Education for Community Development, 2025-07-10 This volume explores educational transformation as a tool for community development in northern Uganda with an emphasis on student centred hybrid and problem based learning It addresses key questions about existing education systems the need for transformation desired outcomes and foreseeable challenges The introductory chapter contextualises the reforms within Uganda's colonial history while subsequent chapters analyse institutional practices curriculum design quality of education and innovation in teaching and learning The book argues for new participatory learning infrastructures real world problems and curricular entrepreneurship to enhance graduates employability and position them as active contributors to community development The book is the result of a long term partnership between universities Contributors are Rozalba Aciro Agatha Alidri Helen Christine Waiswa Amongin Adebua Asaf Judith Awacorach Jerry Bagaya Peter Kakubeire Baguma Abola Benard Ann Bygholm Helene Balslev Clausen Lone Dirckinck Holmfeld Betty Akullu Ezati Cornelia Thea Seger Jakobsen Iben Jensen Annebeth Colic Landsvig Inger Lassen Stephen Odama Denis Ofoyuru Collins Okello Charles Nelson Okumu John Bismarck Okumu David Ross Olanya David Onen Joseph Oonyu George Ladaah Openjuru George Orangi Palle Rasmussen Arne Remmen Frida Skovgaard Sørensen Geoffery Olok Tabo Wycliffe Scot Wafula and Hanan Lassen Zakaria
