John J. Ruskiewicz, 2011 **Making Literature Matter** John Schilb, John Clifford, 2014-09-26 Students have always responded powerfully to the memorable stories poems plays and essays gathered in distinctive clusters in **Making Literature Matter**'s thematic anthology At the same time the book's chapters on reading writing and research help students harness those responses into persuasive well supported arguments about the issues raised by the literature As ever the new edition of **Making Literature Matter** reflects John Schilb and John Clifford's careful attention to emerging pedagogical needs and trends In response to instructor requests they have expanded their treatment of argumentation and research and refined their approach to literary genres Further they read widely to identify some of the most engaging fiction poetry drama and nonfiction published recently and based their new choices for the sixth edition on how well that literature raises and explores issues that matter to students right now **Making Literature Matter**, 2006 **Good Books Matter** Shelley Stagg Peterson, Larry Swartz, 2008 Based on extensive research on the features that make children's books appealing and appropriate this valuable teacher resource offers guidance on selecting books
