Impact of Disruptive Technologies on the Socio-Economic Development of Emerging Countries Mtenzi, Fredrick Japhet, Oreku, George S., Lupiana, Dennis M., 2023-06-12 Global emergencies such as the COVID 19 pandemic and environmental concerns have challenged the readiness of societies and forced them to operate in more innovative ways. In response, the world has witnessed new technologies emerge and researchers continually finding better solutions to cope with these situations. It is crucial that these innovations are investigated so that we may better the world during times of crisis. Impact of Disruptive Technologies on the Socio Economic Development of Emerging Countries provides relevant case studies, innovative disruptive applications and the latest empirical research findings in the digital technology space. Additionally, it provides accounts of the design, development and usage of digital solutions that have an impact on addressing societal problems in emerging economies. Covering topics such as e social work, social media addiction and adaptive testing, this premier reference source is an essential resource for government officials, entrepreneurs, politicians, business leaders, students and educators of higher education, sociologists, librarians, researchers and academicians. **Nationwide Youth Consultations on Malawi Growth and Development Strategy II & III and UNDAF 2017-2021 Agenda** James M. A. Chima, 2015 Climate Impacts on Agricultural and Natural Resource Sustainability in Africa Bal Ram Singh, Andy Safalaoh, Nyambilila A. Amuri, Lars Olav Eik, Bishal K. Sitaula, Rattan Lal, 2020-03-17 This book discusses knowledge-based sustainable agro-ecological and natural resource management systems and best practices for sustained agricultural productivity and ecosystem resilience for better livelihoods under a changing climate. With a focus on agriculture in Africa, the book assesses innovative technologies for use on smallholder farms and addresses some of the key Sustainable Development Goals to guide innovative responses and enhanced adaptation methods for coping with climate change. Contributions are based on Capacity Building for Managing Climate Change in Malawi (CABMACC), a five-year program with an overall goal to improve livelihoods and food security through innovative responses and enhanced capacity of adaptation to climate change. Readers will discover more about sustainable crop production, climate-smart agriculture, on-farm energy supply from biogas and the potential of soil carbon sequestration in crop-livestock systems. **Climate Change and the Role of Education** Walter Leal Filho, Sarah L. Hemstock, 2019-11-28 This book offers insights into the educational dimensions of climate change and promotes measures to improve education in this context. It is widely believed that education can play a key role in finding global solutions to many problems related to climate change. Indeed, education as a process not only helps young people to better understand and address the impact of global warming but also fosters better attitudes and behaviours to aid efforts towards mitigating climate change and adapting to a changing environment. But despite the central importance of education in relation to climate change, there is a paucity of publications on this theme. Against this background, the book focuses on the educational aspects of climate change and showcases examples of research

projects and other initiatives aimed at educating various audiences It also provides a platform for reflections on the role education can play in fostering awareness on a changing climate Presenting a wide range of valuable lessons learned which can be adapted and replicated elsewhere the book appeals to educators and practitioners alike **ssc exam strategy Master Guide for all students** Vikas Doon, SSC exam strategy Master Guide for all students is prepared according to Online exam pattern The guide is divided into 4 major sections Previous Years Solved Papers Mock tests and Crack Shots for thorough Practice The Staff Selection Commission or SSC has been one of the most desirable organizations for Government exam Aspirants appearing for the exams are required to have proper guidance and preparation to get into the different departments of Government **Handbook of Research on Sustainable Development and Governance Strategies for Economic Growth in Africa** Teshager Alemu, Kassa,Abebe Alebachew, Mulunesh,2018-02-09 Despite increasing reports across the globe on renewable development and maintenance little is known regarding what strategies are required for improved economic growth and prosperity in Africa Improving an understanding of the methods for promoting growth through reusable resource development and administration is a vital topic of research to consider in assisting the continent s development The Handbook of Research on Sustainable Development and Governance Strategies for Economic Growth in Africa provides emerging research on the strategies required to promote growth in Africa as well as the implications and issues of the expansion of prosperity While highlighting sustainable education pastoral development pathways and the public sector role readers will learn about the history of sustainable development and governmental approaches to improving Africa s economy This publication is a vital resource for policy makers research institutions academics researchers and advanced level students seeking current research on the theories and applications of development in societal and legal institutions **Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set)** Union of International Associations,2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events *Crossing the Global Quality Chasm* National Academies of Sciences, Engineering, and Medicine,Health and Medicine Division,Board on Health Care Services,Board on Global Health,Committee on Improving the Quality of Health Care Globally,2018-12-27 In 2015 building on the advances of the Millennium Development Goals the United Nations adopted Sustainable Development Goals that include an explicit commitment to achieve universal health coverage by 2030 However enormous gaps remain between what is achievable in human health and where global health stands today and progress has been both incomplete and unevenly distributed In order to meet this goal a deliberate and comprehensive effort is needed to improve the quality of health care services globally *Crossing the Global Quality Chasm Improving Health Care Worldwide* focuses on one particular shortfall in health care affecting global populations defects in the quality of care This study reviews the available evidence on the quality of care worldwide and makes recommendations to improve health care quality globally while expanding access to preventive and therapeutic services with a focus in low
