Mistress Dede,2015-11-23 If you are reading this book you are most probably a woman interested in broaching the matter of
male chastity You see this book is all about male chastity in other words self control The question is how exactly can this
male chastity thing help you and your partner s sex life You are probably confused and you don t have to worry for you are
not alone in this This book will help you understand the idea of male chastity and learn about the sexual fantasies that might
seem dirty and unappealing to you now but could possibly save your sex life You will learn what the male chastity subject is
all about the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your
relationship At first the idea of locking your partner s male organ in a device seem strange to you But overtime you will find
that your partner sees this thing in an altogether new perspective something that is attractive and quite exciting for him To
some forceful prevention of erection and orgasm may definitely seem odd but there are men who find it very arousing Getting
started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact
This is because most of those writings are written by men as an outlet to let out their kinky fantasies It is nothing more than
erotic web fantasies that are much too complicated and bizarre for many women s tastes You are likely to get turned off by
these thinking that the whole male chastity thing is not for you However in this book we assure you that the subject of male
chastity is explained and directed to helping you understand the entire concept in full light It is all about using the male
chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner The Self and
Its Pleasures Carolyn J. Dean,2016-11-01 Why did France spawn the radical poststructuralist rejection of the humanist
concept of man as a rational knowing subject In this innovative cultural history Carolyn J Dean sheds light on the origins of
poststructuralist thought paying particular attention to the reinterpretation of the self by Jacques Lacan Georges Bataille and
other French thinkers Arguing that the widely shared belief that the boundaries between self and other had disappeared
during the Great War helps explain the genesis of the new concept of the self Dean examines an array of evidence from
medical texts and literary works alike The Self and Its Pleasures offers a pathbreaking understanding of the boundaries
between theory and history *The Suffering Self* Judith Perkins,2002-09-11 The Suffering Self is a ground breaking
interdisciplinary study of the spread of Christianity across the Roman empire Judith Perkins shows how Christian narrative
representation in the early empire worked to create a new kind of human self understanding the perception of the self as

sufferer Drawing on feminist and social theory she addresses the question of why forms of suffering like martyrdom and self mutilation were so important to early Christians This study crosses the boundaries between ancient history and the study of early Christianity seeing Christian representation in the context of the Greco Roman world She draws parallels with suffering heroines in Greek novels and in martyr acts and examines representations in medical and philosophical texts Judith Perkins controversial study is important reading for all those interested in ancient society or in the history of Christianity

Male Chastity Keyholder Guide Mistress Dede,2015-01-08 There is a lot of variety in the world of fetish and kink with limitless possibilities for creativity in sensual play Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects like honorific nicknames or corsets and leather boots But for people who participate in fetishes as a lifestyle the practices and games are an essential part of their relationship with its own set of rules and standards One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate The phrase male chastity probably immediately spooks some men or excites others whether they are willing to admit it or not Either attitude is amusing to the sophisticated woman with a predilection for domination and control For submissive men there are many benefits to a male chastity arrangement The calculating domme will use all of her feminine charms to her advantage establishing a system of rules meant to keep her man under lock and key Literally The popularity of male chastity devices has soared in recent years and although this be taboo it is something many people talk about behind closed doors Conveniently hidden under clothes male chastity devices provide necessary restriction for the man and allowing his dominant complete control over his orgasms These devices are a valuable tool for the modern dominant woman and excellent for contemporary tease and denial games Exploring male chastity can be a fun new game for adventurous couples or a complete long term lifestyle for kinky pairs Whatever the relationship type employing a male chastity device sends a clear message he is on lockdown and she holds the key
