Cracking the SAT II Judene Wright, Princeton Review (Firm), 2001-03-15 The Princeton Review realizes that acing the SAT II Biology E/M exam is very different from getting straight As in school. They don't try to teach students everything there is to know about biology; only what they'll need to score higher on the exam. There's a big difference. In *Cracking the SAT II Biology E/M*, The Princeton Review will teach test takers how to think like the test makers and score higher by reviewing key biology concepts. Earn more points by becoming familiar with the format of the test. Safeguard against test traps that can lower scores. Perfect skills by practicing review questions in each chapter. This book includes 2 full-length simulated SAT II Biology E/M exams. All of the sample test questions are just like the ones test takers will see on the actual exam, and every solution is fully explained.
