MALLORY'S ORACLE

Carol O'Connell

MALLORY'S ORACLE

"Sgt. Kathleen Mallory is one of the most original and intriguing detectives you'll ever meet. In fact, Mallory's Oracle is stocked with characters who are richly unforgettable, even by New York standards. This novel is wild, sly and breathless—all the things that a good thriller ought to be."

—Carl Hiaasen

Every once in a rare while, a suspense writer appears whose work is so strikingly original it transcends the genre. Such is the case with Carol O'Connell and Mallory's Oracle, a book that has already created worldwide excitement.

At the center of the story is Kathleen Mallory, an extraordinary wild child turned New York City policewoman. Adopted off the streets as a little girl and still not altogether civilized now that she is grown, Mallory operates by her own inner compass of right and wrong. She is a thing apart. And when her adoptive father is murdered, she is a thing possessed.

Filled with deep, seductive atmosphere and grace that cuts like a knife, Mallory's Oracle is gripping, momentous suspense of startling complexity—a truly stunning debut.

Carol O'Connell lives in New York City.
