Lafrique Nattend Pas:

L'Afrique n'attend pas Hervé Bourges, 2010 Cet essai appelle une prise de conscience des potentialités que représente l'Afrique riche de promesses et d'un développement en plein essor pour le futur Selon H Bourges il est temps pour la France de s'affranchir d'une vision archaïque du continent noir pour imaginer un avenir commun **Ethics or Moral Philosophy**

Guttorm Fløistad, 2013-12-11 This volume examines a variety of philosophical approaches that seek to formulate practical guidelines or norms for human actions and behavior in different areas of society including politics cultural traditions the environment business management architecture and medicine Written by a team of international authors this volume features thirteen surveys It begins with an exploration of ethics in politics and cultural traditions From genocide to the unequal distribution of wealth it examines many of the harms that currently affect societies throughout the world and considers a way that those in politics can follow to provide better care for all their populations Next the book looks at the relation between ethics and cultural traditions It features a paper that examines the tension that often exists between the past and the present with a special focus on the history of India This volume also considers the idea of a universal system of ethics presents a practical approach to value based management in private and public organizations and examines ethics in medicine In addition this volume includes coverage of a new type of ethics called Eco ethica proposed by the Japanese philosopher Tomonobu Imamichi which seeks to answer the question of how men and women can live better or live together with each other in a systematized technological age **Les églises, les migrants et les réfugiés** Bernard Fontaine, 2006
