Picnic in Provence Elizabeth Bard, 2015-04-07 The bestselling author of Lunch in Paris takes us on another delicious journey this time to the heart of Provence Ten years ago New Yorker Elizabeth Bard followed a handsome Frenchman up a spiral staircase to a love nest in the heart of Paris Now with a baby on the way and the world's flakiest croissant around the corner Elizabeth is sure she's found her forever place But life has other plans On a last

romantic jaunt before the baby arrives the couple take a trip to the tiny Provencal village of Crest A chance encounter leads them to the wartime home of a famous poet a tale of a buried manuscript and a garden full of heirloom roses Under the spell of the house and its unique history in less time than it takes to flip a crepe Elizabeth and Gwendal decide to move lock stock and Le Creuset to the French countryside When the couple and their newborn son arrive in Provence they discover a land of blue skies lavender fields and peaches that taste like sunshine Seduced by the local ingredients they begin a new adventure as culinary entrepreneurs starting their own artisanal ice cream shop and experimenting with flavors like saffron sheep s milk yogurt and fruity olive oil Filled with enticing recipes for stuffed zucchini flowers fig tart and honey and thyme ice cream Picnic in Provence is the story of everything that happens after the happily ever after an American learning the tricks of French motherhood a family finding a new professional passion and a cook s initiation into classic Provencal cuisine With wit humor and scoop of wild strawberry sorbet Bard reminds us that life in and out of the kitchen is a rendez vous with the unexpected

The Wonderful Food of Provence Jean-Noël Escudier,Peta J. Fuller,1968 Eating Out in Provence and the Cote D'Azur Edward Roch,1992 There are probably more good restaurants per square mile on the Mediterranean coast of France than anywhere else on earth

It's All About Lunch Anthony Craig,2012-09-01 An entertaining and informative account of encountering France Provence and the French way of life It might seems strange to open a book with a single thought It is all about Lunch but after a collective eight years of living in France observing the culture and joining in to the sense of an seemingly unchangeable pattern of behavior it seems the only adequate way to introduce the culture and way of life The setting is Provence in the South of France and primarily in the department of Vaucluse east of Avignon The story is about an Irish born American executive and his Canadian wife and their adventures in moving to Provence and living a life long dream All incidents and encounters however did actually occur pretty much as described It is these stories humorous vignettes and the characters one encounters that add to the charm of the scenery sun and lifestyle creating an irresistible draw to the most romantic part of the most romantic country in the world

investigates French cuisine and what it means in encounters from Champagne to Provence He tells the stories of French artisans and chefs who continue to work at the highest level Many people in and out of France have noted for a long time the slow retreat of French cuisine concerned that it is losing its important place in the country's culture and in the world culture of food And yet as Behr writes good French food remains very very delicious No cuisine is better The sensuousness is overt French cooking is generous both obvious and subtle simple and complex rustic and utterly refined A lot of recent inventive food by comparison is wildly abstract and austere In the tradition of great food writers Edward Behr seeks out the best of French food and wine He shows not only that it is as relevant as ever but he also challenges us to see that it might become the world's next cutting edge cuisine France remains the greatest country for bread cheese and wine and its culinary techniques are the foundation of the training of nearly every serious Western cook and some beyond Behr talks with chefs and goes to see top artisanal producers in order to understand what the best means for them the nature of traditional methods how to enjoy the foods and what the optimal pairings are As he searches for the very best in French food and wine he introduces a host of important memorable people THE FOOD AND WINE OF FRANCE is a remarkable journey of discovery It is also an investigation into why classical French food is so extraordinarily delicious and why it will endure
