Lulu Femme Nue Second Livre:

Séparée François de Singly, 2011-11-02 Les trois quarts des séparations et des divorces sont demandés par les femmes Pour la première fois un sociologue s'empare de ce fait de société en analysant le récit des femmes qui ont rompu Il découvre que la séparation n'est pas seulement une expérience de désenchantement et de preuves franchir Aussi douloureuse soit-elle elle apparaît aussi comme une tape par laquelle la femme moderne s'affranchit Cette mancipation revêt plusieurs formes Certaines femmes se détachent pour survivre mieux vaut divorcer que périr dans le couple d'autres veulent passer autre chose dans une logique de progression individuelle Et puis il y a celles qui ne veulent plus porter le couple jugeant que leur conjoint ne l'a pas assez investi chacune sa formule de séparation pourrait-on penser Mais par un habile jeu de miroir François de Singly nous présente l'expérience de la rupture comme le reflet de la vie conjugale on se sépare comme on a vécu ensemble Et on se sépare aussi pour vivre différemment pour se trouver et s'accomplir François de Singly est sociologue professeur à l'université Paris Descartes Il a critiqué de nombreux livres sur le couple et la famille *Livres hebdo*, 2010-03

L'erotisme ou le mensonge de Freud Philippe Laporte, 2018-11-16 Qu'est-ce qui définit le caractère érotique d'une situation Pourquoi un viol est-il traumatisant Pourquoi la séduction est-elle indispensable à l'erotisme Pourquoi l'amour se greffe-t-il sur les relations sexuelles Pourquoi la censure cinématographique considère-t-elle les représentations sexuelles comme plus traumatisantes que celle du meurtre Pourquoi les passions sexuelles sont-elles si puissantes Pourquoi la nudité publique est-elle toujours pénalisable Pourquoi la sexualité tout comme le langage apparaît-elle dans tout groupe humain indépendamment de la culture Pourquoi la sexualité si elle n'est pas toujours génitale est-elle toujours transgressive Pourquoi Freud a-t-il menti sur la sexualité Autant de questions auxquelles ce livre tente de répondre Jusqu'ici aucune théorie psychologique ne l'avait fait C'est l'objectif du présent ouvrage qui de la sorte propose de nouveaux fondements à la psychologie sexuelle *States of Decadence* Guri Barstad, Karen P. Knutsen, 2016-12-14 *States of Decadence* is a two volume anthology that focuses on the literary and cultural phenomenon of decadence Particular attention is given to literature from the end of the 1800s the finale however the essays presented here are not restricted to this historical period but draw lines both back in time and forward to our day to illuminate the contradictory multiplicity inherent in decadence Furthermore the essays go beyond literary studies drawing on a number of the tropes and themes of decadence manifested in the arts and culture such as in music opera film history and even jewelry design *Livres de France*, 2009-10 **Les Livres disponibles canadiens de langue française**, 1999 **Les Livres de L'année**, 1935 **French books in print, anglais** Electre, 2002 *Gil Blas illustré*, 1899 *Documents*, 2007 **Corps et graphies** Guy Ducrey, 1996 **L'Art moderne**, 1901 *L'Europe en formation*, 1966 **La Quinzaine littéraire**, 1990 **Nouveau Larousse illustré** Pierre Larousse, Augé, 1898 *Le nouvel observateur*, 1978 **La grande encyclopédie**, 1885 *L'Express*, 1997 Some issues include consecutively a section called Madame express *Le figaro magazine*, 2003-08 *Vie des arts*, 1968
