Luxe Magazine March April 2015:

Luxury Peter McNeil, Giorgio Riello, 2016-05-19 We live in a world obsessed by luxury Long distance airlines compete to offer first class sleeping experiences and hotels recommend exclusive suites where you are never disturbed Luxury is a rapidly changing global industry that makes the headlines daily in our newspapers and on the internet More than ever luxury is a pervasive presence in the cultural and economic life of the West and increasingly too in the emerging super economies of Asia and Latin America Yet luxury is hardly a new phenomenon Today's obsession with luxury brands and services is just one of the many manifestations that luxury has assumed In the middle ages and the Renaissance for example luxury was linked to notions of magnificence and courtly splendour In the eighteenth century luxury was at the centre of philosophical debates over its role in shaping people's desires and oiling the wheels of commerce And it continues to morph today with the growth of the global super rich and increasing wealth polarization From palaces to penthouses from couture fashion to lavish jewellery from handbags to red wine from fast cars to easy money Peter McNeil and Giorgio Riello present the first ever global history of luxury from the Romans to the twenty first century a sparkling and ever changing story of extravagance excess novelty and indulgence

Focus On World Festivals Chris Newbold, Jennie Jordan, 2016-02-29 A contemporary overview of festival activity based on over 30 international case studies It demonstrates how the nature of festivals crosses borders how they are a recognisable and growing part of societal and cultural delivery around the globe and that their impacts economic social and cultural are a major driver in their development *The National Income Tax Magazine*, 1926

Korea: Where the American Century Began Michael Pembroke, 2018-05-04 Unless you know the history you cannot see the future In late 1950 the US led invasion of North Korea failed and for the next three years the United States bombed the North's cities towns and villages relentlessly Pyongyang has been determined to develop a credible nuclear deterrent ever since The Korean War was the first of America's unsuccessful military interventions post World War II and its first modern conflict with China It established the pattern for the next sixty years and marked the true beginning of the American century With compassion for the people of the North and South and understanding for the soldiers caught between the bitter winter and an implacable enemy Michael Pembroke tells the absorbing story of Korea It is essential reading for anyone seeking to understand why the Korean peninsula has become the nuclear flashpoint it is today

Transmedia Directors Carol Vernallis, Holly Rogers, Lisa Perrott, 2019-12-26 Transmedia Directors focuses on artist practitioners who work across media platforms and disciplines including film television music video commercials and the internet Working in the age of media convergence today's em impresarios project a distinctive style that points toward a new contemporary aesthetics The media they engage with enrich their practices through film and television with its potential for world building and sense of the past and future music video with its audiovisual aesthetics and rhythm commercials with their ability to project a message quickly and the internet with its refreshed concepts of audience and participation to larger forms like restaurants

and amusement parks with their materiality alongside today's digital aesthetics. These directors encourage us to reassess concepts of authorship, assemblage, transmedia, audiovisual aesthetics, and world building. Providing a vital resource for scholars and practitioners, this collection weaves together insights about artist-practitioners' collaborative processes as well as strategies for composition, representation, subversion, and resistance.
