Justifiable Homicide Robert W. McGee, 2014-10-27 When does the killing of political leaders become morally justifiable Killing the Hitlers Stalins and Pol Pots of the world is easy to justify Murderous tyrants need to be killed But what if our leaders are merely idiots or perhaps corrupt petty tyrants who aren't in the same league as Hitler Stalin or Pol Pot How much damage can we allow them to do how many of our rights can we allow them to take away before killing them becomes justifiable homicide In Robert McGee's latest novel Justifiable Homicide a small group of patriots in Miami believes that some of our leaders have already crossed the line and decide to do something about it They identify potential targets for assassination and start going through the list When Robert Paige an accounting professor with some firearms and martial arts training learns that one of his friends is on the list he decides he must do whatever is necessary to stop them The problem is he doesn't know who all the cell members are or how to stop them
