## Discussion Guide

*Mere Christianity* (HarperSanFrancisco, 2001) provides a powerful case for the Christian faith. It challenges the reader to explore all aspects of religion and to be open to new possibilities. The book tackles some of the tough questions that believers and nonbelievers ask, while bringing together spiritual truths. This is an excellent resource for building a stronger faith and a closer relationship with God.

This discussion guide covers the four books presented in *Mere Christianity* and provides two questions (a and b) for each of the chapters within the four books.

Permission is granted to reproduce this discussion guide.

### Book 1

#### Right and Wrong As a Clue to the Meaning of the Universe

*This book explores the law of human nature, the reality of the law, common objections, and what lies behind the law.*

- 1a. Why do people often fail to practice the behavior they expect from other people?
  - b. In your own words, explain the law of human nature and how it is relevant to you.
- 2a. What is moral law, and how does it differ from instinct?
  - b. List and discuss some of the factors that govern your behavior and beliefs.
- 3a. What are your expectations for decent behavior by others?
  - b. What are some differences between laws of nature and the law of human nature?
- 4a. Discuss the religious view and the materialist view of how the universe was created and why it exists.
  - b. According to Lewis, what lies behind the law of human nature? How do you respond to his views?
