

The background of the entire image is a deep space photograph. It features a dark, black void filled with numerous stars of varying brightness, some showing prominent diffraction spikes. Several large, glowing galaxies are visible. One prominent galaxy in the upper left has a bright, yellowish-white core and diffuse, orange-hued spiral arms. Another galaxy in the lower center has a similar bright core and more structured, reddish-orange spiral arms. The overall color palette is dominated by the deep blues and blacks of space, punctuated by the warm oranges, yellows, and whites of the celestial bodies.
