**The Demon Within 1 (futa on female)** Adrian Adams, Brooke's headaches are only the first sign something's wrong. She's just found out the father she never knew was a demon and her body is changing now that she's reached maturity. It's a shock when a pair of horns grow from her head, a bigger one when a new appendage sprouts between her legs. She has her girlfriend's support but how exactly is she supposed to break the news about her new body? This story contains graphic sexual content.

**Metamorphosis (futanari on female)** Adrian Adams, 2014-09-15 Rachel is finding her body going through some strange changes. Not only is there a suspicious swelling at her crotch but her thoughts seem to be returning to sex at an alarming rate, especially when around her sexy best friend Melanie. If she didn't know better, she'd think she was turning into a teenage boy. What could be the cause of her new body and desires? And more importantly, what is she going to do about it? This story contains explicit depictions of futanari on female sex.

**Fantastic Metamorphoses, Other Worlds** Marina Warner, 2002 Marina Warner explores the metaphorical power of metamorphoses in the evocation of human personality. Beginning with Ovid's great poem *The Metamorphoses* as the founding text of the metamorphic tradition, she takes us on a journey of exploration into the fantastic art of Hieronymous Bosch, the legends of the Taino people, the life cycle of the butterfly, the myth of Leda and the Swan, the genealogy of the Zombie, the pantomime of Aladdin, the haunting of doppelgangers, the coming of photography, and the late fiction of Lewis Carroll. The publisher.

**The Monster in Her Panties (futanari on futanari)** Adrian Adams, Honey had never been a normal girl and her fear of someone finding out about her abnormal body kept her isolated from her peers. Until one day when she finds a girl in her class, Meadow, shares her problem. But the one in Meadow's panties is much larger, both in girth and length. Can Honey tame Meadow's monster? Or will it devour her? This story contains graphic oral and vaginal sex between two futanari women.
