This book is about the energy that you can use to create your life. Many spiritual books often leave out the most important tool in manifesting energy. Each of us has manifestation powers; you just need to learn to use them within the framework of the 12 Laws of the Universe and most importantly, speak the same language as the Universe. In this book, the author shows you how to use the infinite energy of the universe to manifest and make wishes to the universe. If you are wondering why you have not been able to create miracles so far, you will learn about the influence of the development of your consciousness, how energetic blockages can sabotage your wishes, and above all, how you can dissolve them in minutes. The book contains many practical exercises that will enable you to better understand the language of the universe and proven tricks to manifest faster. You will also learn why the universe doesn't know time, how to stretch time, and how to program a new future. The book concludes with a 21-day Miracle Challenge that gives you the opportunity to exercise your manifestation muscles. You will make a wish to the universe every day for three weeks and practice manifesting with energy. When your energetic level is right, you can achieve your goals much easier. It's no secret that when you are in flow and full of energy, you can almost automatically manifest more money, love, a thriving business, or other miracles in your life. You dive into a universe full of energy and choose the miracles that already exist as a possibility by simply asking for it and choosing that miracle. In this book, you will discover a new way of manifesting and learn to playfully use energetic frequencies to attract your desires from the universe. You learn how to attract the right circumstances, people, and opportunities into your life, to conjure small and big miracles into your everyday life. You will find out for yourself in the end that the universe always delivers twice. Now dive into the world of energy and learn to use the magic you had as a child again.
