

**There are no easy choices when
the dark clouds gather.**

DI Shona Oliver's past and present collide when James McGowan, her ex-classmate – now a famous actor – returns to Scotland to make a Robert Burns biopic. Shona is tasked with keeping him safe during filming on an isolated island in the Solway Firth, and her job is made much harder when a dead man wearing James's coat is found on the beach in suspicious circumstances. It seems someone wanted James out of the picture.

Meanwhile, Shona's marriage is tested at home too. Her husband faces the possibility of a long spell in prison for a crime he claims he did not commit, but if he speaks out he risks his wife and their teenage daughter coming to harm.

Can Shona keep her head above the waves and protect those around her?

**'Gripping... a must-read for
fans of Scottish crime'**

Stuart Johnstone on *The Girls in the Glen*

Beneath the surface lie deadly secrets...

DI Shona Oliver moved to Dumfries with her ex-bomber husband when their teenage daughter got in with a bad crowd in London. As a Glasgow native, she's built on home turf.

Living on the shores of the Solway Firth allows Shona to continue as an RMT volunteer, and a call out to recover a woman's body indicates bad play. Police in Dumfries make the case but take back to Scotland keep Shona's team involved. As they investigate, reports of people vanishing and a spate of deaths from local shops compete for attention with a large scale drug bust. But Shona's work may all be in vain when Shona close to her throat to hear the case again – and take Shona to the police.

**An unforgettable debut novel by
a Scottish crime writer to watch.**

Nothing stays buried forever

Lifeguard volunteer DI Shona Oliver receives a Mayday call coming from Kilmartin Island. Upon the beach is the badly burned body of a man, and a boy lies gravely injured nearby. Scram around them are scores of Second World War incendiary bombs, presumably washed up by the tide from an offshore mine dump deep in the Irish Sea.

The dead man is a local fisherman, his son the other victim, and it rocks the tight-knit community on the shores of the Solway Firth. As lead detective, Shona has to maintain a professional distance. But with suspicious behaviour found at every turn, it's impossible for Shona to get to the truth. Blind loyalty may mean she's too late to save those still in danger – including herself.

'A thrilling new voice in Scottish crime fiction'
Marian Todd, author of *See Them Run*

**If the dead could speak,
what secrets would they tell?**

Accompanying her daughter on an archaeological dig in the Dumfriesshire moors, the only bodies DI Shona Oliver expects to find are long-dead. But then a corpse from the 1980s is unearthed. Shona is certain it belongs to one of the missing 'Girls in the Glen' – victims of a notorious serial killer who never revealed where their bodies were buried.

Shona's superiors want her to focus on a fresher crime scene – the attempted shooting of a local politician. Pulled between crimes past and present, Shona soon realises that the secrets buried on Bield Moss have far-reaching consequences.

With her own officers keeping things from her and lives at stake, is there anyone Shona can trust with this investigation?

**An unmissable, atmospheric
detective thriller set in Scotland.**
