

# Writing a Constructed Response

(Same as OR, just more variety in type)

- Begin with the standard you want to assess? Your question needs to match the standard.
- Determine the level of thinking your students need to attain look at the power verb (think Bloom's) based on the standard. That will define the type of CR you draft.
- Draft your question and be sure you can answer it in text!
- Practice writing a response yourself, or better yet ask a colleague to read the passage and answer the question. Is it a quality question? Write a 2-point response if question was SA or 4 point if it was an open response.

**The STANDARD will help define the type.**

**Short answer should take LESS than 5 minutes to answer using the small space provided. Open Response should take bout 15 minutes using whole page if needed.**

**REMEMBER THIS YEAR'S ASSESSMENT WILL HAVE A TIME LIMIT.**
