Joint ventures in the Flag Boshielo Irrigation Scheme, South Africa van Koppen, Barbara, Tapela, B. N., Mapedza, Everisto, 2018-01-31

The Architecture of Illegal Markets Jens Beckert, Matías Dewey, 2017-07-21 From illegal drugs stolen artwork and forged trademarks to fraud in financial markets the phenomenon of illegality in market exchanges is pervasive Illegal markets have great economic significance have relevant social and political consequences and shape economic and political structures Despite the importance of illegality in the economy the field of economic sociology unquestioningly accepts the premise that the institutional structures and exchanges taking place in markets are law abiding in nature This volume makes a contribution to changing this Questions that stand at the centre of

the chapters are What are the interfaces between legal and illegal markets How do demand and supply in illegal markets interact What role do criminal organizations play in illegal markets What is the relationship between illegality and governments Is illegality a phenomenon central to capitalism Anchored in economic sociology this book contributes to the analysis and understanding of market exchanges in conditions of illegality from a perspective that focuses on the social organization of markets Offering both theoretical reflections and case studies the chapters assembled in the volume address the consequences of the illegal production distribution and consumption of products for the architecture of markets It also focuses on the underlying causes and the political and social concerns stemming from the infringement of the law

Impact of Immigration and Xenophobia on Development in Africa Mafukata, Mavhungu Abel, 2020-12-25 Human movement has an influence on the socio economic dynamics of people regions and countries The schisms between host and immigrants impact how host countries utilize immigrant skills and expertise to benefit their economies However immigrants are impacted by negative diplomatic relations between countries that limit the free movement of people and the welfare of immigrants In association this brings about social challenges such as Afrophobia racism xenophobia hatred and violence within these countries While these challenges are deeply rooted across the world Africa has its own unique challenges Still struggling with massive underdevelopment Africa needs to remove all the negative factors that could impede its quest of achieving development imperatives Impact of Immigration and Xenophobia on Development in Africa analyzes the genesis and evolution of immigration in Africa and how this has resulted in social challenges such as xenophobia within the continent The book focuses on demonstrating how immigrant skills and expertise can be positively utilized to assist African development and asserts the existence of xenophobia in respective countries does not assist Africa s quest of resolving its own challenges The chapters within this book therefore explore how this subsequent output of xenophobia has impacted African development and focuses on the revival of Pan Africanism as a uniting instrument and ideology for Africans This book is a valuable reference tool for activists retired and practicing politicians governments policymakers practitioners stakeholders researchers students and academicians *From Parchment to Practice* Tom Ginsburg, Aziz Z.
