**Lawyer Takeover (Abridged)** Bob Herrin M D,Herrin Bob,2014-10-28 When did it become right for a single profession with less than 1% of the population to control the other 99% of the people Our constitution established three branches of government to have separation of power The USA has about 2 3 of all lawyers on Earth Lawyers essentially control all three branches of government executive legislative and judicial Their control of our government is essentially a Lawyer Oligarchy Lawyers and judges have near total power and immunity Where did they get it How would you describe criminals heaven It could be power to take what you want and immunity from having to pay for your crimes How can you stop criminals with immunity from committing crimes Herrin grew up on a dairy farm He was taught love and respect for others As a physician he became a people s advocate Early in his practice he began to see problems with government and the legal system that were injuring people and the nation He collected thousands of articles to document his findings We have the right to a trial by jury of our peers But all appellate court judges must have a law degree Why In the appellate court the jury isn t peers it s all lawyers What is conflict of interest What is justice for sale We hear mostly from lawyers that our courts are not about justice What are they about How much does lawsuit mania cost the average American family each year in higher prices Why is our country in big trouble in serious decline Why is public approval of government so low Do they work for themselves and not for the people What can the people do In Lawyer Takeover Herrin offers extraordinary answers and unprecedented solutions
