Keeping The Republic Brief 5th Edition:

Keeping the Republic Brief and American Politics Fifth Edition and Portraits of American Politics Third Edition Barbour, 2003-02-01 *Keeping the Republic: Power and Citizenship in American Politics, 6th Edition The Essentials* Christine Barbour, Gerald C. Wright, 2013-01-15

Keeping the Republic's lively discussion of who gets what and how develops students' critical thinking abilities in the intro American government course. Every section and every feature in the book has one goal in mind: to get students to think critically and be skeptical of received wisdom. Serving as a true aid to teachers, each chapter is designed to build students' analytical abilities. By introducing them to the seminal work in the field and showing them how to employ the themes of power and citizenship, this proven text builds confidence in students who want to take an active part in their communities and government to play their part in keeping the republic and to consider the consequences of that engagement.

Keeping the Republic Christine Barbour, Gerald C. Wright, 2018-11-23

Keeping the Republic gives students the power to examine the narrative of what's going on in American politics, distinguish fact from fiction, and balance from bias and influence the message through informed citizenship. Keeping the Republic draws students into the study of American politics, showing them how to think critically about who gets what and how while exploring the twin themes of power and citizenship. Students are pushed to consider how and why institutions and rules determine who wins and who loses in American politics and to be savvy consumers of political information. The thoroughly updated Ninth Edition considers how a major component of power is who controls the information, how it is assembled into narratives, and whether we come to recognize fact from fiction. Citizens now have unprecedented access to power, the ability to create and share their own narratives, while simultaneously being even more vulnerable to those trying to shape their views. The political landscape of today gives us new ways to keep the republic and some high-tech ways to lose it. Throughout the text and its features, authors Christine Barbour and Gerald Wright show students how to effectively apply the critical thinking skills they develop to the political information they encounter every day. Students are challenged to deconstruct prevailing narratives and effectively harness the political power of the information age for themselves. Up to date with 2018 election results and analysis, as well as the impact of recent Supreme Court rulings, shifting demographics, and emerging and continuing social movements, Keeping the Republic Ninth Edition is a much-needed resource to help students make sense of politics in America today. Also available as a digital option, courseware. Contact your rep to learn more about Keeping the Republic Ninth Edition Vantage Digital Option.

Keeping the Republic Student Study Guide Barbour, 2001-11

Reviews each chapter's key concepts through learning objectives, chapter summaries, practice tests, and critical thinking exercises based on the chapter's key themes.

To Keep the Republic Elizabeth C. Matto, 2024-04-12

American democracy is at an inflection point. With voting rights challenged, election results undermined, and even the US Capitol violently attacked, many Americans feel powerless to save their nation's democratic institutions from the forces dismantling them. Yet as founders like Benjamin

Franklin knew from the start the health of America's democracy depends on the actions its citizens are willing to take to preserve it. *To Keep the Republic* is a wake up call about the responsibilities that come with being a citizen in a participatory democracy. It describes the many ways that individuals can make a difference on both local and national levels and explains why they matter. Political scientist Elizabeth C. Matto highlights the multiple facets of democratic citizenship, identifies American democracy's sometimes competing values and ideals, and explains how civic engagement can take various forms including political conversation. Combining political philosophy with concrete suggestions for how to become a more engaged citizen, *To Keep the Republic* reminds us that democracy is not a spectator sport; it only works when we get off the sidelines and enter the political arena to make our voices heard.

Keeping the Republic Christine Barbour, Gerald C.

Wright, Matthew J. Streb, 2011-02-01 *Keeping the Republic* 5th edition Essentials Whether reading today's political news blog or last century's speeches on suffrage sifting facts from hyperbole and analysis from opinion is a real challenge for students. *Keeping the Republic's* lively discussion of who gets what and how develops their critical thinking abilities so they aren't just memorizing details or passively reading. Every section and every feature in the book has one goal in mind: to get students to think critically and be skeptical of received wisdom. Serving as a true aid to teachers, each chapter is designed to build the students' analytical abilities. By introducing them to the seminal work in the field and showing them how to employ the themes of power and citizenship, this proven text builds confidence in students who want to take an active part in their communities and government, to play their part in keeping the republic and to consider the consequences of that engagement or lack thereof. In this fifth edition, students will find discussion of the Obama administration's early successes and setbacks, of how Congress fared under Democratic majorities, of the 2010 midterm election results, and of the lasting and lingering effects of the Great Recession, health care reform, passage of two ongoing wars, the BP oil spill, and a fast-changing mass media climate. Bright, bold colors give the book's new interior design a jumpstart. Bigger photos visually grab students, but it's the innovative treatment of key terms, the ability to discern the chapter's structure from clear headings, and the colorful but cohesive layout of the features that compel students to read every page. Successful teachers know that pedagogy matters in the classroom. Barbour and Wright have carefully crafted each sidebar box and profile to further students' analytic sensibilities and develop critical thinking skills. What's at Stake What's at Stake Revisited vignettes bookend each chapter, asking students to think about what people are struggling to get from politics and how the rules affect the outcome of that struggle. Consider the Source unpacks a method for assessing different types of political information: look for bias, lay out the argument, uncover evidence, and sort out political implications. Who are We graphically displays a wealth of demographic data. Students evaluate charts, figures, and maps to explore the effect diversity plays on our ideas of government's role in our lives. Profiles in Citizenship feature advice about the various ways students can enter public life and make a difference. Insight from figures such as Sandra Day O'Connor, Bill Richardson, Newt Gingrich, and Bill Maher captivate students' imagination. Who What How

and WHEN timelines show how key issues in our political history wax and wane as power shifts and opportunities arise. Instructors will also appreciate the additional elements strategically placed throughout the text that support close and engaged reading. Marginal glossary definitions allow students to easily reference key terms. Thinking Outside the Box questions challenge students' assumptions and provoke thoughtful responses and discussion. To Sum Up sections at the end of chapters include a list of key terms, bulleted list summaries, quiz questions, and suggestions of print, video, and online resources that students might read, watch, or click on. For more about Keeping the Republic 5th edition essentials, click [here](#). Clued in to Politics 3rd Edition: Beyond asking students to analyze a reading, how do you actually get them to do it? With their popular CLUES method, Barbour and Streb train students to Consider the source, Lay out the argument, Uncover the evidence, Evaluate the conclusion, and Sort out the political implications. With their contextual headnotes and CLUES questions, every reading helps develop lasting habits of critical thinking. Around 80 brief selections, 36 new to this edition, are drawn from the wide range of media from which students glean political information.
