Hall, 2014-05-09 Rock and roll music evolved in the United States during the late 1940s and 1950s as a combination of African American blues country pop and gospel music

produced a new musical genre Even as it captured the ears of the nation rock and roll was the subject of controversy and contention The music intertwined with the social political and economic changes reshaping America and contributed to the rise of the youth culture that remains a potent cultural force today A comprehensive understanding of post World War II U S history would be incomplete without a basic knowledge of this cultural phenomenon and its widespread impact In this short book bolstered by primary source documents Mitchell K Hall explores the change in musical style represented by rock and roll changes in technology and business practices regional and racial implications of this new music and the global influences of the music The Emergence of Rock and Roll explains the huge influence that one cultural moment can have in the history of a nation

The Seeker King Gary Tillery,2013-10-01 A woman in the audience once handed Elvis a crown saying You re the King No honey Elvis replied There is only one king Jesus Christ I m just a singer Gary Tillery presents a coherent view of Elvis s thoughts through such anecdotes and other recorded facts We learn for instance that Elvis read thousands of books on religion that his crisis over making bimbo movies like Girl Happy led him to writers such as Gurdjieff Krishnamurti and Helena Blavatsky and that while driving in Arizona an epiphany he had inspired him to learn Hindu practice Elvis came to believe that the Christ shines in everyone and that God wanted him to use his light to uplift people And so he did Elvis s excesses were as legendary as his generosity yet despite his lethal reliance on drugs he remained ever spiritually curious When he died he was reading A Scientific Search for the Face of Jesus This intimate objective portrait inspires new admiration for the flawed but exceptional man who said All I want is to know and experience God I m a searcher that s what I m all about
