Laura Owens Ringier 2013:

Laura Owens: Ringier 2013, 2014-09 Every year Ringier publishes an annual report conceived by an artist This year Laura Owens has deployed resources and methods drawn from art history and traditional printing craftsmanship She took as inspiration the art magazine View from the 1940s when printing presses were still the pulse of every newspaper and publishing organization She has created a very haptic cover in typographic print as well as drawings to be reproduced using silkscreen Allowing the inclusion of up to nine colors this methodology implies a realization by printing experts who still master the old book and screenprinting methods A technical challenge made visual delight Limited edition of 300 copies Published with Ringier AG Zurich

Owens, Laura Scott Rothkopf, 2017-01-01 A richly illustrated expansive mid career survey of the stand out American artist s pioneering and influential work with each copy featuring a unique silk screen cover printed in Owens s studio Since the early 1990s Laura Owens b 1970 has challenged traditional assumptions about figuration and abstraction in her pioneering approach to painting Created in close collaboration with the artist on the occasion of her mid career survey at the Whitney Museum of American Art this inventive and comprehensive book features an incisive introduction by Scott Rothkopf critical essays literary texts and short commentaries on a variety of subjects related to Owens s broad interests which range from folk art and needlework to comics and wallpaper Reflections by more than twenty of Owens s fellow artists collaborators assistants dealers family members and friends offer an array of perspectives on her work at different periods in her life beginning with her high school years in Ohio and ending with her current exhibition A rich trove of more than a thousand images drawn from the artist s personal archive and largely unpublished before now includes personal correspondence journals academic transcripts handwritten notes source material exhibition announcements clippings and installation photographs Strikingly each copy also features a unique silk screen cover printed in Owens s studio giving readers the opportunity to own an original work of art Together all of these elements provide a rare and intimate look at how an artist might make her way in the world as well as how art gets made movements take hold and relationships evolve over time

Tomma Abts James Rondeau, Juliane Rebentisch, 2018-01-01 With a rigorous approach and self imposed limitations to both scale and composition Tomma Abts b 1967 has reinvigorated painterly abstraction and its relevance within contemporary art Using a fixed canvas size and a vertical format Abts deploys basic formal elements such as arcs circles planes and stripes to create powerful works that are at once subtle and eccentric This extraordinary book designed in collaboration with the artist herself is a substantial and deeply insightful treatment of her career to date and features sixty works made over the past decade Essays not only contextualize Abts s work within an art historical framework of methods process and style but also examine her paintings philosophical and psychological dimensions and their embodiment of a creative process that transcends the specifics of any particular work The beautifully designed and illustrated exhibition catalogue examines both the art historical framework of Tomma Abts s painting as well as its deep philosophical and

psychological dimensions James Rondeau is president and Eloise W Martin Director of the Art Institute of Chicago Lizzie Carey Thomas is head of programs at the Serpentine Galleries in London Kate Nesin is an independent art historian Juliane Rebentisch is a professor of philosophy and aesthetics at the Offenbach University of Art and Design in Berlin *Laura Owens* Gavin Brown,Andrew Cannon,Laura Owens,Corinna Durland,Wendy Yao,2013 **Laura Owens** Laura Owens,2019
