Law Ethics And Philosophy Journal:

List of Journals Indexed for MEDLINE ,2005 **The Economic Journal** ,1898 Contains papers that appeal to a broad and global readership in all fields of economics The Principle of Fairness and Political Obligation George Klosko,2004 In *The Principle of Fairness and Political Obligation* George Klosko presents the first book length treatment of political obligation grounded in the premises of liberal political theory In this now classic work he clearly and systematically formulates what others thought impossible a principle of fairness that specifies a set of conditions which grounds existing political obligations and bridges the gap between the abstract accounts of political principles and the actual beliefs of political actors Brought up to date with a new introduction this new edition will be of great interest to all interested in political thought *Core Concepts and Contemporary Issues in Privacy* Ann E. Cudd,Mark C. Navin,2018-04-03 This book offers a comprehensive investigation of privacy in the modern world It collects 16 papers that look at this essential topic from many facets from the personal to the technological from the philosophical to the legal The contributors examine such issues as the value of privacy protection the violation of spreading personal falsehoods the digital rights of children an individual s right to be forgotten from internet search engines and more The organization of the volume helps provide a nuanced understanding of this often controversial topic Coverage starts with key concepts before moving on to explore personal information privacy and the impact of new technologies Next the papers consider privacy in different contexts These include work sex family crime and religion This structure enables greater engagement with the difficult questions about privacy Readers will gain deep insight into the core concepts of privacy as well as its application to everyday life This interdisciplinary volume brings together an international team of scholars They provide a broad combination of expertise in law philosophy and political science Overall this thought provoking examination will appeal to interested readers in both academia and practice *Journal of Education of the Academy of the New Church* ,1904 Autonomy and Human Rights in Health Care David N. Weisstub,Guillermo Díaz Pintos,2007-12-20 *Autonomy and Human Rights in Healthcare An International Perspective* is a group of essays published in memory of David Thomasma one of the leading humanists in the field of bioethics during the twentieth century A pioneer in the field of multidisciplinary research having integrated major theological and philosophical traditions in the west with modern science Thomasma was a role model to the authors who have devoted essays to his major avenues of inquiry The authors represent many different countries and disciplines throughout the globe The volume deals with the pressing issue of how to ground a universal bioethics in the context of the conflicted world of combative cultures and perspectives Directory of American Philosophers, 2018-2019 Elizabeth Stombock,2018-05-10 The new edition of this essential resource contains thousands of edited listings for university and college philosophy programs research centers professional organizations academic journals and philosophy publishers in both countries It also includes contact information for over 15 000 philosophers in the U S and Canada and a brief statistical

overview of the field *Reading Parfit* Simon Kirchin, 2017-03-16 Derek Parfit was one of the world's leading philosophers. His *On What Matters* was the most eagerly awaited book in philosophy for many years. *Reading Parfit On What Matters* is an essential overview and assessment of volumes 1 and 2 of Parfit's monumental work by a team of international contributors and includes responses by Parfit himself. It discusses central features of Parfit's book including the structure and nature of reasons, the ideas underlying moral principles, Parfit's discussions of consequentialism, contractualism, and Kantian deontology, and his metaethical ideas and arguments. *Reading Parfit* will be central reading for students of ethics and anyone seeking a deeper understanding of one of the most important works of philosophy published in the last fifty years. *Journal of Experimental Pedagogy and Training College Record*, 1923 **Pitman's Journal of Commercial Education**, 1922
