and other legal developments covering arrest search surveillance and other routine as well as sensitive areas of law enforcement It includes more than 100 examples drawn from leading cases to provide guidance on how to act in a wide variety of situations The 2020 edition is completely updated to reflect recent court decisions This book helps you keep track of everything in a readable and easy to carry format Some of the most important case rulings from the past 12 months include The U S Supreme Court ruled that probable cause for an arrest precludes a later First Amendment retaliatory arrest claim The U S Supreme Court determined that the exigent circumstances doctrine to the Fourth Amendment will generally allow for a blood draw from an unconscious motorist to be performed without a warrant The Eleventh Circuit ruled that seizing items such as a mobile phone from bystanders violates clearly established law and subjects the officer to a civil rights lawsuit The Ninth Circuit ruled that the seizure of a mobile phone without a warrant following a high speed chase was justified as an inventory search under the Fourth Amendment The Second Circuit dove into the circuit split on rental car searches deciding that an unlicensed driver not in lawful possession of the vehicle cannot challenge the search The Seventh Circuit explained that the exclusionary rule does not apply to an illegal entry if there is overwhelming evidence of probable cause and a search warrant was planned before entry The Second Circuit reaffirmed the principle that prolonging a traffic stop is not unconstitutional if the reason is supported by reasonable suspicion Annually updated since 1972 The Law Enforcement Pocket Manual provides police officers criminal justice practitioners and students with historical and social context for their role in criminal justice and the guidelines that should be followed in day to day policing activities

edition is completely updated to reflect recent court decisions This book helps you keep track of everything in a readable and easy to carry format Some important case rulings from the past 12 months include The U S Supreme Court made clear that it is common sense for an officer pulling over a vehicle to assume without additional evidence that the driver is the registered owner The U S Supreme Court appeared to signal the end to so called Bivens suits filed against federal officers for constitutional violations The First Circuit extended the community caretaking doctrine to the home in finding officers warrantless entry justified In the continuing evolution of the stop and frisk doctrine the Second Circuit ruled that officers need more than a belief that a suspect possess something illicit they must reasonably believe the suspect may pose a threat The Tenth Circuit ruled that an officer s 15 minute phone call to a national database was reasonable and did not impermissibly extend a traffic stop The Seventh Circuit said that the smell of marijuana combined with a driver s shocked body language justified a trunk search The Fourth Circuit tossed a man s gun convictions after the officers arrested the man at his girlfriend s residence without probable cause that he lived there Routledge offers tiered discounts on bulk orders of 5 or more copies For more information please visit <https://www.routledge.com/collections/16268>     The Law Officer's Pocket Manual 2015 John G.
