Lawmen And Outlaws The Old West Book 3:

Outlaws and Lawmen of the Old West Robert K. DeArment, 2001 National Association for Outlaw and Lawman History in affiliation with the University of Wyoming *Crime, Justice and Retribution in the American West, 1850-1900* Jeremy Agnew, 2017-04-11 Western movies are full of images of swaggering outlaws brought to justice by valiant lawmen shooting them down in daring gunfights before riding off into the sunset In reality it would not have happened that way Real lawmen did not simply walk away from a gunfight they had to face the legal system and justify shooting a civilian in the line of duty Providing a more realistic view of criminal justice in the Old West this history focuses on how criminals came into conflict with the law and how the law responded The process is described in detail from the common crimes of the day such as train robbery and cattle theft to the methods of apprehending criminals to their adjudication and punishment by incarceration flogging or hanging
