Love You More:

Have I Been Over-Wed? Renooka Gopaul, 2011-09-26 My first husband Goldie was obsessed with kids and he chose to be with another woman just for kids He said he loved me but I don't know whether he was true as when I asked him to hire a surrogate mother he turned me down saying he wanted a child with love Does love mean to have physical relation only and produce children It might be so I am still searching an answer to this He asked me to stay in his life just as a mere doll and I could not accomplish that My second husband Brainie was simply obsessed with money For him money was everything and other things served no importance in his life He wanted me to be his money machine and after spending seven years with him Dave came in my life Dave my third husband was obsessed with sex For him marriage was just the license to physical relation freely Whereas for me marriage is a very sacred relation a relation which I believe can be nurtured only with love faith and happiness Again love is not as simple as it sounds to be It is the mental and emotional attachment between two persons You cannot go before two or three persons at a time and tell them that you love them Before you tell a person that you love him or her at first give a thought whether you have any respect for that person and if you can keep him or her happy Have some love in your heart for the person with whom you are sharing a physical relation I am so confused after so many incidents in my life that I still do not have answers to many questions I am writing this book and I hope earnestly that the readers will help me in finding answers to these questions I don't know if I had been married too many times I don't know even if any one of my husbands loved me I don't know if they had just abused my life and my trust and kicked me out of their lives **Behold the Mystery** Mark Hart, 2014-03-01 As Catholics the Mass should be a mountaintop experience for us Often though we go through the motions at Mass without an appreciation for what has really happened Popular speaker and author Mark Hart helps Catholics move beyond the repetition and ritual to see the Mass for what it really is a heavenly banquet a wedding feast in which heaven and earth meet In his engaging style Hart guides readers toward a deeper understanding of the Mass its roots in the Jewish Sabbath its sacrificial character and its signs and symbols As we are told to go in peace he inspires us to see the Mass as a place to be nourished so that we can further Christ's mission in the world In the last part of the book Hart provides pithy answers to frequently asked questions such as Why can't I leave right after Communion or Why did the words change Finally Hart offers ten things we can do to get more out of Mass I Love You More Laura Duksta, 2009 In a book that begins at either side and ends in the middle a little boy and his mother are taking a walk together when one asks How much do you love me and the other provides a rhythmic response My Lovely Golden Rose Carolyn Pichet, 2014 My Lovely Golden Rose is a delightful collection of the author's personal experiences and life lessons Let yourself be transported into this exciting new world Carolyn Pichet paints vivid images of memorable interactions sharing special moments with family and friends Take time to enjoy a myriad of delicious tidbits as the author pours her heart into the most intimately precious memories of people who have touched her life You'll follow life events such as friendship love marriage and at the

same time get a glimpse of the author's vision for the future Observe how she uses poetry to express her eternal optimism You'll savor writings from special guests poets as budding artists test the waters within the realm of poetry Through her poetry you'll share the spiritual and physical beauty that is ever present in her relationships with others Transforming her life experiences into poetry the author creates an atmosphere of pure enchantment As you read poetic imagery lures you into another world through elaborate stories flashbacks and the bits and pieces set in her living mosaic You are invited to share her rich experiences and enter a marvelous world of beauty and wonder The welcome mat has been placed before you

A Lifetime of Words Robin Gorley, 2005 For me poetry was a way to heal a way to vent and to feel free to express myself It was hard for me to verbalize my feelings because I was never allowed to Poetry was an instrumental part of my life so I could heal Robin tells people Personally Robin has been married for seventeen years and has a wonderful son Steven who just turned eleven She and her mother founded a nonprofit organization to help people find assistance in the home by linking them to qualified in-home care providers Robin continues to educate herself in the health care field and enjoys helping others Robin is also active in her church and loves to sing in the church choir Her spiritual life is extremely important to her and to her family It is my hope that those who read my poetry will be inspired and I hope that those who read it will be able to find healing in my words Robin expresses
