

Life
IS Short
Make it SWEET

The image features a motivational quote in a playful, hand-drawn style. The word "Life" is at the top in a large, bold, yellow font with a thick black outline. Below it, "IS" is in a smaller, simpler yellow font. "Short" is written in a large, flowing, cursive yellow font. To the right of "Short" are two yellow-outlined hearts, each containing a black heart. Below "Short" is the phrase "Make it" in a black, casual script font. Underneath "Make it" is a long, horizontal yellow flourish that starts as a heart shape and ends in a tail. To the right of the flourish is the word "SWEET" in a large, yellow, blocky font with small black stars interspersed between the letters.

Aparna Vikram Joshi,2024-12-06 Many people fall prey to various diseases and out of that diabetes is one such condition that often goes unnoticed because it shows no physical symptoms Yet it is a silent killer gradually impacting a person s internal organs While some dismiss it as unimportant while others go to the extreme of overcompensating with excessive precautions both of which can be detrimental to one s health My husband Vikram was diagnosed with diabetes as the early age of 28 and has been dependant on insulin ever since This book chronicles his extraordinary journey as he celebrated his 60th birthday on 14th August 2024 Remarkably apart from Vikram s sugar levels all his other organs remain in excellent condition a testament to his unwavering discipline and resilience Even as his doctors commend him for managing diabetes as though it were a lifelong companion rather than an adversary This book captures the highs the lows and everything in between from the life of a couple who discovered that life can be sweet despite diabetes It is our heartfelt hope that every family navigating the challenges of this disease finds solace inspiration and answers within these pages just as we did
