*Loose Ends* Terri Reid, 2010 Dying is what changed Mary O'Reilly's life. Well, actually coming back from the dead and having the ability to communicate with ghosts is really what did it. Now a private investigator in rural Freeport, Illinois, Mary is trying to learn how to incorporate her experience as a Chicago cop and new found talent into a real job. Her challenge is to solve the mysteries, get real evidence, a ghost's word just doesn't hold up in court and be sure the folks in town, especially the handsome new police chief, doesn't think she's nuts. Twenty-four years ago a young woman drowned in the swimming pool of a newly elected State Senator. It was ruled an accident. But now as the Senator prepares to move on to higher positions, the ghost of the woman is appearing to the Senator's wife. Mary is hired to discover the truth behind the death. She unearths a connection between the murder and the disappearance of five little girls whose cases twenty-four years later are still all unsolved. As she digs further, she becomes the next target for a serial killer's quest to tie up all his loose ends. *Loose Ends* Terri Reid, 2012-10-16 Twenty-four years ago a young woman drowned in the swimming pool of a newly elected state senator. It was ruled an accident. But now as the Senator prepares to move on to higher positions, the ghost of the woman is appearing to the Senator's wife. Mary is hired to discover the truth behind the death. Back cover *Veiled Passages* Terri Reid, 2013 Mary closed her eyes in pleasure as the caffeinated beverage slipped down her throat. She'd been trying to cut back, but today she really felt like she needed one. Excuse me, but that stuff will kill you. The man's voice came from right beside her. Mary jumped, looked over to where the voice was coming from, and jumped again. Oh my goodness, you're naked, Mary said, sliding a stool over to get away from the ghost sitting next to her. The ghost looked casually down at his fleshy and very naked body and nodded. So it would seem I am, he said. Mary reached across the bar, grabbed a folded linen napkin, and slid it towards him. Well, at least cover yourself, she said. This is a public place. No one has ever noticed me before, he said. I've sat here at this bar in my altogether for about ten years. Ten years? What happened ten years ago? I was murdered in my hotel room, he said, with a shrug. Don't know how they got to me, but it must have been them. Who is them, Mary asked. A famous mystery writer drowns in a hotel bathtub, an accident or foul play. His ghost thinks it was murder. His mystery writer colleagues want to help Mary solve the case. Gary Copper is still on the loose and gunning for both Bradley and Mary. And in between all of the murder and mayhem, Mary and Bradley are trying desperately to finally walk up the aisle. Will they ever become husband and wife?

**Broken Promises** Terri Reid, 2013 Clarissa yawned and rubbed her eyes. Will I ever meet an angel, Daddy, she asked, as she snuggled into her pillow. He leaned over and kissed her on her forehead. I'm sure you will, sweetheart, he said. You just have to watch for them. She nodded sleepily. Night, Daddy. I love you. I love you, too, he whispered to the already sleeping child. A fierce feeling of protectiveness struck him as he watched her sleep from the doorway. There is no way anyone is going to take her from us, he vowed silently. Not while I'm alive. The trial for Gary Copper has begun, but was there another murder in his past? One that would change the future for Bradley's daughter. And as Rosie and Stanley prepare for their wedding, they

both have some ghosts in their own closets they will have to deal with

**Eighteenth-Century Ireland (New Gill History of Ireland 4)** Ian McBride, 2009-10-02 The eighteenth century is in many ways the most problematic era in Irish history Traditionally the years from 1700 to 1775 have been short changed by historians who have concentrated overwhelmingly on the last quarter of the period Professor Ian McBride's survey the fourth in the New Gill History of Ireland series seeks to correct that balance At the same time it provides an accessible and fresh account of the bloody rebellion of 1798 the subject of so much controversy The eighteenth century was the heyday of the Protestant Ascendancy Professor McBride explores the mental world of Protestant patriots from Molyneux and Swift to Grattan and Tone Uniquely however McBride also offers a history of the eighteenth century in which Protestant Catholic and Dissenter all receive due attention One of the greatest advances in recent historiography has been the recovery of Catholic attitudes during the zenith of the Protestant Ascendancy Professor McBride's Eighteenth Century Ireland insists on the continuity of Catholic politics and traditions throughout the century so that the nationalist explosion in the 1790s appears not as a sudden earthquake but as the culmination of long standing religious and social tensions McBride also suggests a new interpretation of the penal laws in which themes of religious persecution and toleration are situated in their European context This holistic survey cuts through the clichés and lazy thinking that have characterised our understanding of the eighteenth century It sets a template for future understanding of that time

Secret Hollows Terri Reid, 2013 The man smiled at Timmy That would be nice of you Why don't you lead the way Timmy moved past the man and started back up the hill He heard the whoosh of something moving quickly through the air but it hit him before he had time to react He felt the impact against his head and his whole body flew sideways through the air Landing in the dense ground cover his face was momentarily buried in loose dirt pine needles dried leaves and twigs Lifting his head he took a deep breath and started to scramble away on his hands and knees A strong hand caught him by the neck and pushed him back into the dirt Sorry Timmy I can't let you go now the man whispered You'd tell Timmy Beck Fireman Mike Richards boyhood friend was killed twenty years ago but everyone in the town is sure they caught the right man or did they Why is Timmy's ghost still haunting Lake Le Aqua Na Mary Bradley Ian and Mike investigate and find the true murderer may be much closer than they had ever expected

**Darkness Exposed** Terri Reid, 2013 Jeannine appeared in the room across from Mary Her face was streaked with tears and she was visibly trembling Mary I remembered she cried I remembered and it was awful The time has finally come for Mary to investigate Jeannine's murder As all clues point to someone in Bradley's old neighborhood Mary and Ian move in to

the former Alden residence and pose as newlyweds to set Mary up as bait for the killer With Stanley and Rosie at their side they expose the darkness hidden in the depths of Bradley s old neighborhood **Twisted Paths** Terri Reid,2013 Gloria Foley turned off the light in the hallway and made her way slowly upstairs to bed She paused at the doorway of her daughter s bedroom and shook her head It had been such an emotional day for all of them She prayed she would have the strength to get them both through these treacherous teenaged years Slowly turning the knob on the bedroom door she quietly opened it to check on her sleeping child Through the narrow opening she could see the bed was still made and no one was sleeping on it She opened the door wider and saw the shadow on the far wall and her heart clenched Screaming she flung the door open and ran to the figure hanging from the thick electric cord suspended from the ceiling fan No she screamed as she tried to lift the inert body up to relieve the pressure against her neck Noooooooo The ghost of a teenager who committed suicide twenty years ago is haunting her family s home Can Mary link that death to the serial suicides of the girls who bullied her when she was alive And with Gary Copper still on the loose Mary and Bradley are faced with the challenge of keeping the newest member of their family safe and sound *Natural Reaction* Terri Reid,2013 The last few students climbed through windows black smoke billowing out of them The teacher turned to his student I ll let you down first But Coach whose going to help you Hey you re my best fielder I expect to jump right into your arms he said Just promise not to whip me over to Smith for a double play The young man his face streaked with soot grinned at his coach Yeah Coach I promise He took the young man s hands in a tight grip and slowly lowered him out the window When he had extended his reach as far as he could he let him go The student fell into the evergreen boughs the prickly needles scraped his arms but the branches kept him from hitting the ground He rolled off the bushes and jumped up as fast as he could He turned his eager face up to the window Okay Coach he called The explosion violently blew the windows out of the building Screaming students darted across the lawn barely escaping the shards of glass raining down on them All of the students except Stevo who still stood below the gaping hole in the wall oblivious to the blood running down his face and arms Coach Coach he screamed I m here Coach Coach I m here Mary O Reilly investigates the death of a beloved high school coach while she tries to overcome the repercussion of solving Jeannine s murder **Stolen Dreams - A Mary O'Reilly Paranormal Mystery - Book Fourteen** Terri Reid,2015-01-12 But Sol it ain t haunted like you thought Marty argued cautiously It wasn t a good idea to get Sol too angry We ve tried everything s ances Ouija boards mediums everything This place is just an old empty house A creepy old house Sol shook his head disregarding Marty s words and started up the tall staircase to the second floor It just has to seem like a haunted house he said We ll keep the crowds coming if it seems like a haunted house People pay good money to spend the night in a haunted mansion Marty followed him shaking his head After that last paranormal research group came through and found nothing we ain t been getting the crowds like we used to he pointed out People look on the internet for everything All they have to do is research the house and they ll see we ve been investigated by three different groups They ain t gonna pay top

dollar to stay in the state s most haunted house if it ain t got no ghosts Sol stopped at the top of the stairs and waited for Marty Then all we need is a ghost he said Marty shook his head and put his hand on his partner s shoulder Sol we ve been at this for three years he replied The balloon payment is coming up in three months We ain t got the capital We gotta let go of this place before we lose everything Shoving Marty s arm off his shoulder Sol paced angrily down the hallway Don t you get it Marty he growled his teeth clenched I m going to lose everything if this place doesn t pan out I sunk everything I owned into this place I don t have any reserves I don t have anything to turn to This place has to work out Marty leaned one hand on the balustrade at the top of the staircase and sadly shook his head I m sorry Sol I d do anything to help you he said sadly But this place just ain t got a ghost Sol sighed deeply and turned back to his friend nodding his head slowly Thank you Marty he replied A icy tremor of fear swept through Marty s body as he saw the cold calculating look in Sol s eyes He lifted his hands defensively No Sol no he cried even as he felt the power of Sol s body knock him backwards and down the stairs A few moments later Sol stood at the top of the staircase looking down at the broken lifeless body of his business partner sprawled unnaturally on the black and white ceramic tiled lobby floor He leaned against the same balustrade that only moments before had been held by Marty and nodded And now we have a ghost Mary Ian and Mike investigate a supposedly haunted house and discover there are more than just ghosts hidden behind its doors *The Literary World* ,1874 *The Bookseller* ,1910

**Bumpy Roads** Terri Reid,2013 Hurrying to the old bridge that crossed Yellow Creek Courtney stepped to the side as a car came up behind her The bridge was only wide enough for one car and even foot traffic had to climb up on the narrow ledge for safety The car slowed and the driver s side window rolled down A familiar face greeted Courtney Hey Courtney how about a ride he asked She shook her head No thanks I m good she said It s only a few more blocks The driver looked up to the sky You won t make it before the storm hits he argued Come on I ll feel guilty all night if I leave you here She smiled Okay if you put it that way she agreed jogging over to the passenger side of the car and letting herself in The door lock clicked as she buckled her seatbelt and she looked up in surprise It does that automatically the driver said with an apologetic shrug Courtney scooted against the door and grasped the handle You know I think I ll just walk anyway she said pulling against the handle But the door didn t open She tried it again but it was still locked tight Child locks the driver said a smile on his face You can t get out until I let you out She pressed the window button but it also stayed in place Listen I don t want to be in this car she said firmly Now please let me out or I m going to scream He chuckled softly leaned forward and placed his hand against her cheek rubbing it intimately If you scream no one will hear you he said as he slipped his hand down to her neck But you can do it if you like I always love to hear a girl s scream For ten years young girls have been disappearing from the streets of Freeport and the surrounding towns Can Mary solve the mystery before Clarissa is the next victim

*“The” Athenaeum* ,1881 **Final Call** Terri Reid,2013 Stanley peered up into the shadows above the stage There was a colorful blaze of fabric amidst the burgundy curtains and canvas backdrops He moved closer trying to get a better view from

a different angle Hey what s this play about anyway Stanley asked Is it a Western No it s a drama Rosie replied How come you need a dummy hanging from a rope She looked over quickly No one gets hanged in the play Sure looks like it Up there Rosie looked up to where he directed and saw the caftan and silk pants ruffling in the slight breeze of the theater twenty feet over the stage Oh sweet heavens Stanley she screamed That s Faye Faye McMullen was murdered in cold blood at Winneshiek Theater and Mary O Reilly and Police Chief Bradley Alden have to discover who done it before the murderer gets the chance to get rid of the prime witness Mary O Reilly
