Love Romances of the Aristocracy Thornton Hall, 2020-09-28 Among the many fair and frail women who fed the flames of the Merrie Monarch's passion from the first day of his restoration to that last day but one short week before his death when Evelyn saw him sitting and toying with his concubines there was it is said only one of them all who really captured his royal and wayward heart that loveliest simplest and most designing of prudes La belle Stuart When Barbara Villiers was enslaving Charles by her opulent charms the queen of his many mistresses Frances Stuart was growing to beautiful girlhood an exile at the French Court with no dream or care of her future conquest of a king Her father a son of Lord Blantyre had carried his death dealing sword through many a fight for the first Charles a distant kinsman of his own and when the Stuart sun set in blood had made good his escape to the friendly shores of France where he had found a fresh field for his valour Meanwhile his daughter was happy in the charge of the widowed Queen Henrietta Maria who although as Cardinal de Retz tells us she frequently lacked a faggot to leave her bed in the Louvre and even a crust to stay the pangs of hunger proved a tender foster mother to brave Walter Stuart's child and watched her growth to beauty with a mother's pride Even before she emerged from short frocks Frances Stuart had established herself as the pet par excellence of the Court of France With Anne of Austria the little Scottish maiden was a prime favourite every gallant from Monsieur to the rakish Comte de Guise loved to romp with her and to join in her peals of childish laughter and the King himself Louis XIV stole many a kiss and was proud to be called her big sweetheart So devoted was His Majesty to La belle Ecossaise that when her mother talked of taking her away to England he begged that she would not remove so fair an ornament from his Court and vowed that he would provide the child with a splendid dower and a noble husband if she would but allow her to remain Love Romances of the

A Sexy Historical Romance

Praise for the Scandalous Scions series If you are familiar with the previous series I am sure you fell in love with the huge family like I did She is a go to author for me when I need a fix of historical romance Tracy Cooper Posey takes us into the staid yet surprisingly bawdy Victorian Era where appearance is everything and secrets are held inside the family Thanks once again Tracy Cooper Posey for giving us another great story and for giving me back my love of historical romances I love historical romances and this one filled all my likes from a dashing wonderful hero a beautiful strong heroine a love story to sigh over side characters that are interesting and funny and move the story along I can't wait for the next in this wonderful new series I don't often give books five stars but I really enjoyed the mystery that puzzled all of the characters in this story I found the entire extended family intriguing because they the women in particular are very aware and careful of what society will think yet they often have made choices that are deemed semi scandalous A wonderful story set in the Victorian era of such strict social conventions and yet the main characters are shimmering with latent sexual tension What a fabulous juxtaposition Another great series is starting and it looks like it will be great just like all the other series by this author
