Fantasy Expert Ron Shandler, 2024-02-20 An entertaining and incisive chronicle from one of the foremost authorities in fantasy baseball Ron Shandler is a self described rotoholic In the beginning he hoarded newspaper box scores and pored over every number at his disposal Then came the compulsion to create his own numbers A monthly newsletter expanded into an annual Baseball Forecaster book which spawned a media company websites tournaments and more Part memoir part madcap history Fantasy Expert is a fascinating and wide ranging look at the modern growth and development of the game that went from cottage industry to national obsession In chronicling his own escalating journey from rotisserie baseball hobbyist to professional authority Shandler tells parallel tales of the rise of fantasy sports the expanding baseball information industry the increasingly sophisticated technology employed to gain an edge and the fellow rotoholics who make it all possible He also delves into the impact of fantasy baseball on the sport of baseball itself Written with humor honesty and a deep passion for baseball this is a must read for anyone interested in the history progression and future of fantasy baseball **Dark Corner**

Heritage James Alexander Howard, 1980 How Autocrats Subvert Elections Richard L. Abel, 2025-06-27 Chronicling and analyzing resistance to the threat that autocracy poses to American liberal democracy this book provides the definitive account of the response to the January 6 2021 assault on the Capitol and Republican efforts to overturn the 2020 election and bias future elections in their favor In December 2020 Donald Trump invited supporters to DC for what he promised would be a wild demonstration against Biden s victory On January 6 2021 he directed the mob he had summoned to march on the Capitol where it ransacked the building caused five deaths and hundreds of injuries and delayed but failed to prevent certification of the election Although some Congressional Republicans briefly distanced themselves from Trump the party quickly closed ranks around him The business community similarly initially expressed criticism but soon resumed campaign contributions to Republicans Democrats sought to impeach Trump for the second time but Republicans blocked conviction Democrats created a House Select Committee which exposed Trump s complicity through dramatic televised hearings and a comprehensive report Republicans responded by denying there had been a riot one calling it a mere tourist visit and sanctifying those arrested Nevertheless all but two of the nearly 1 400 charged were convicted Judges appointed by both Democratic and Republican presidents harshly condemned the insurrectionists imposing sentences that did not vary by the judge s party preference This book contextualizes these continuing threats to American democracy through an opening chapter exposing distressing parallels with the rise of Nazism in 1930s Germany The penultimate chapter examines the ways in which Republicans persisted in seeking to overturn the 2020 election and distort subsequent elections by gerrymandering and creating obstructions to potential Democratic voters All the chapters focus on the multiple forms of resistance politics social action economic pressure media exposure and criminal prosecution evaluating their relative efficacy and comparing them with modes of resistance analyzed in the author s related volumes This definitive account and analysis of Trump s and

his supporters attempts to subvert the 2020 election will appeal to scholars students and others with interests in politics populism and the rule of law and more specifically to those concerned with resisting the threat that autocracy poses to liberal democracy *The New York Times Index* ,2007 *Coal Report* Illinois.
