Journal Of Academic And Business Ethics Volume 5:

Professionalism in the Information and Communication Technology Industry John Weckert, Richard Lucas, 2013-10-15 Professionalism is arguably more important in some occupations than in others It is vital in some because of the life and death decisions that must be made for example in medicine In others the rapidly changing nature of the occupation makes efficient regulation difficult and so the professional behaviour of the practitioners is central to the good functioning of that occupation The core idea behind this book is that Information and Communication Technology ICT is changing so quickly that professional behaviour of its practitioners is vital because regulation will always lag behind ICIE 2018 6th International Conference on Innovation and Entrepreneurship Dr. Denise A. D. Bedford, Dr. Elias G. Carayannis, 2018-03-05 These proceedings represent the work of researchers participating in the 6th International Conference on Innovation and Entrepreneurship ICIE 2018 which is being co hosted by Georgetown University and George Washington University and is being held at The University of the District of Columbia UDC on 5 6 March 2018 Pricing Perspectives Sandra Rothenberger, Florian Siems, 2008-11-03 The world of pricing has been changing at a fast pace There has been a development of new dynamic pricing strategies an explosion of new pricing tactics and a focus on smarter buyers This book focuses on those developments and highlights new perspectives for pricing strategies **Managing Cultural Differences** Robert T.
