Sámi Nature-Centered Christianity in the European Arctic Tore Johnsen, 2022-07-22 Sámi Nature Centered Christianity in the European Arctic unpacks the theological significance of North Sámi indigenous Christianity demonstrating how the tension between Sámi nature centered Christianity and official Norwegian Lutheranism has broad theological relevance Focusing on Christian cosmological orientation the author argues that this is not fully given within the Christian faith itself It is partly shaped by the religious philosophical frameworks that various historical receptions of Christianity were filtered through The author substantiates that two different types of Christian cosmological orientation are negotiated in the North Sámi Christian experience one reflecting a Sámi historical reception of Christianity primarily filtered through the egalitarian world intuition of the Sámi indigenous tradition another reflecting official Norwegian Lutheranism primarily filtered through a Greek hierarchical world construct passed down among European intellectual elites The argument is developed through thick description of local everyday Christianity among reindeer herding river and sea Sámi communities in Finnmark Norway through critical engagement with historical and contemporary Lutheranism and through constructive dialogue with African and Native American theologies The author suggests that the egalitarian multi relational logic of Sámi nature centered Christianity points beyond the hierarchical binaries delimiting much of the theological imagination of dominant Christian theologies

Justification as the Speech of the Spirit Jeffrey K. Anderson, 2021-08-10 In the past few

decades there have been an increasing number of authors and movements that reject the classic Protestant understanding of justification e g the New Perspective on Paul Auburn Avenue Theology the Renewal Movement etc While the various proposals differ in many respects they are generally united in their rejection of justification as a legal declaration made by the Father about the believer based on the work of the Son In particular among renewal Pentecostal Charismatic authors there have been several attempts to redefine justification insisting that it is an umbrella term incorporating numerous redemptive ideas rather than a declaration of the believer s righteousness These attempts are in part rooted in the absence of any overt pneumatology in the doctrine s typical formulation One need only read the above sentences to see that there is no mention of the Holy Spirit This book addresses these and other concerns especially by renewal authors and demonstrate that the doctrine is in fact pneumatologically informed albeit latently rather than blatantly As a result there is no need to redefine the theology of the Reformers and their successors

Eucharist Ola Tjorhom, 2023-07-14 The Eucharist is the sacrament of Christ s presence his real presence Here he comes to us in bread and wine through outward and material signs that are accessible to all This is an expression of infinite grace However when Jesus gives himself to us we are called to share ourselves and what we have with others Thus the Eucharist also becomes the sacrament of fellowship and unity It is a sacrament in and for our wounded world a sacrament of life in the widest sense The reflections in this book are grounded in the Lutheran tradition combined with an open ecumenical approach They aim at unfolding some of the wealth of the Lord s Supper in a concise and accessible way

The Work of Faith Justin Nickel, 2020-08-31 Many scholars assume that Luther advocates for a Christian life in which human beings are always passive recipients of God s grace as it is delivered in preaching and mere instruments through which God works to serve their neighbors The Work of Faith Divine Grace and Human Agency in Martin Luther s Preaching offers a different reading of Luther s views on human agency by drawing on a fresh source Luther s preaching Using Luther s sermons in the Church Postil as a primary source Justin Nickel argues that Martin Luther preached as though Christians have real if secondary agency in the lives they lead before God and neighbor As a result Nickel presents a Luther substantively concerned with how Christians lead their lives

Death until Resurrection Joseph Saligoe, 2020-03-11 What really happens to the soul when people die This groundbreaking book may appeal both to Luther experts and to those who know little about the Reformer It demonstrates that Luther constantly taught over the last twenty four years of his life that death is like an unconscious sleep It also shows why this matters today for Christians Death until Resurrection is a great first step in understanding God s plan for renewal of the creation that can alleviate our common fears about death Seeing what exactly the scriptural writers meant regarding death as interpreted by one of the most prominent church leaders ever also provides the benefit of helping us better understand core doctrines such as our resurrection the nature of hell and eternal life through salvation This book offers that which very few writers on Luther have done an explanation that can unravel his apparent contradictions and the Luther paradox on the nature of death and the soul

Kierkegaard's Writings, XXIII, Volume 23 Søren Kierkegaard, 2009-09-21 Kierkegaard a poet of ideals and practitioner of the indirect method also had a direct and polemical side. He revealed this in several writings throughout his career culminating in *The Moment* his attack against the established ecclesiastical order. Kierkegaard was moved to criticize the church by his differences with Bishop Mynster Primate of the Church of Denmark. Although Mynster saw in Kierkegaard a complement to himself and his outlook Kierkegaard challenged Mynster to acknowledge the emptying and estheticizing of Christianity that had occurred in modern Christendom. For three years Kierkegaard was silent waiting. When Mynster died he was memorialized as an authentic truth witness in the holy chain of truth witnesses that stretches through the ages from the days of the apostles. This struck Kierkegaard as blasphemous and inspired him to write a series of articles in *Fædrelandet* which he followed with ten numbers of the pamphlet *The Moment*. This volume includes the articles from *Fædrelandet* all numbers of *The Moment* and several other late pieces of Kierkegaard's writing.
