

THE VERY ITCHY BEAR

by Nick Bland

Bear is here . . . and here is Flea (but Flea's a little small to see). This is Flea about to bite, but not because he's impolite. He's biting bear to say, Hello!, biting high and biting low. In *The Very Cranky Bear*, Bear's cave was invaded by four playful animals. In *The Very Itchy Bear* there is just one creature bothering him: a persistent flea. Bear tries to get away, but Flea just won't leave him alone. When Bear finally gets rid of Flea, he finds that he misses him and a new friendship is born. Amazon Book Review
