<https://dx.doi.org/10.29322/IJSRP.11.08.2021.p11648>

**Abstract-** Politicians, in legitimising their ideologies exploit language. They consciously produce specific kinds of speech acts in order to covertly authorise their beliefs and persuade their audience. A plethora of studies exist on propositional meanings in Nigerian political speeches nonetheless a paucity exists on utterance meanings in foreign political speeches and on discordant concept of Religion and politics. Therefore, this paper investigated the kinds of speech acts Obama employed in legitimising his ideology about religion in his 2006 political speech titled *Faith and Politics*. The mixed method was adopted. A total of 182 sentences in the speech formed the population of the study while only 18 purposively selected sentences tagged utterances (UT) constituted the sample size of the study. Allan Speech Acts Theory was employed. The findings revealed that Obama used both direct and indirect speeches. In the direct category, the speaker used a preponderance of Constative Assertive acts 10 (94.4%) and only 1(3.57%) directive act for affirming his beliefs about religion and the interconnection between religion and politics. However, for the indirect category, the eloquent speaker employed verdictive acts (55.5%), 1(5.5%), directive requestive acts (33.3%) and assertive act 1(5.5%). The indirect verdictive acts were used to covertly judge the aberration of religion-its reduction to a tool of discrimination, terrorism, and manipulation of believers' minds etcetera. Obama thus, employed the directive requestive act in imploring his listeners to turn a new leaf to religion and rather exploit religion to teach moral values-discipline, tolerance and ultimately give hope to the people thereby making religion serve as a panacea to critical social ills, and thus a veritable complement for global politics. This paper, therefore, concludes that the combination of religion and politics is required for an effective global politics. This paper recommends that religious-political discourse should not be parochial so it can cater for the needs of the pluralistic world.

**Index Terms-** Language, Pragmatics, Politics, Speech Acts.

## I. INTRODUCTION

Generally, the genres of religious and political discourse are not exactly under-researched. Pioneering linguistic works on religious discourse have been undertaken mainly within the framework of stylistic analysis especially regarding graphological, semantic, syntactic and morphological features that characterise the discourse (e.g. Crystal and Davy (1969) Oladosu (2003)). On the other hand, political discourse has attracted the attention of linguists from Systemic Functional Linguistics (Osisanwo 2017,

Aremu 2015, Kalejaiye 2012Opeibi 2009, Odebanmi 2008) (in Soyombo 2019). However, there is a paucity of studies on utterance meanings on the discordant concepts of religion and politics.

This paper presents a Speech Act analysis of President Barrack Obama, the first black American president's speech titled 'Politics and Faith'. It applies Allan's Speech Act model which originated from Austin 1962's notion of 'speeches are actions'. The significance of this paper is to establish and imports of the speech acts President Obama exploited in articulating the synergising the divergent concept of religion and politics.

Religion and Politics have both been adjudged divergent and yet intricately connected. Mark (2018p.1) tracing the concept to two Latin words *Religio*, meaning 'restraint' and *Religionem*, which denotes 'to show respect for something sacred, defines religion as an organised systems of beliefs and practises revolving around or leading to a transcendent spiritual experience'. This definition contrasts greatly with politics. According to Obafemi (1961 p1) 'politics is the science or the art of the managing public affairs'. Obama (2006p1) maintains that 'Politics depends on man's ability to persuade his fellow humans of common aims based on a common reality.

Despite the divergence hinted at above, religion and politics are relatable because they are both concerned with power, are both interdependent and expected to solve human problems. Buttressing the foregoing, Obafemi (ibid) posits that although they are different- religion being spiritual and politics being materialistic, nonetheless 'living man is a combination of matter and spiritual for him to be the real image of God, he must not only be well-developed and wealthy but must also function in harmony with and under the control of his spirit...'. Explicating the connection, Obama (2006 p1) averred that politics involves the compromise, the art of what's possible, but religion does not allow for compromise- It's the art of the impossible'. He affirms that religion seeks the interest of few; Politics seeks interest of all.

Language is a veritable instrument of power exploited by both politics and religion. It is not just a human vocal sound or graphic symbol via which man communicates- ideas, emotions, or achieves other communicative human purposes but an instrument of instituting and legitimising power. The foregoing is certainly true as the acquisition of power and its enforcement can be achieved in a number of ways: one of the obvious is through physical coercion, which involves the imposition of desire on a people, via force or violence- a style of leadership common with the military rule. However, in democracy, just like in religion, leaders depend on the onus of effective use of language to

## **Journal Speech Act Analysis:**

**The Pragmatics of Politeness** Geoffrey Leech, 2014-06-16 This readable book presents a new general theoretical understanding of politeness. It offers an account of a wide range of politeness phenomena in English illustrated by hundreds of examples of actual language use taken largely from authentic British and American sources. Building on his earlier pioneering work on politeness, Geoffrey Leech takes a pragmatic approach that is based on the controversial notion that politeness is communicative altruism. Leech's 1983 book *Principles of Pragmatics* introduced the now widely accepted distinction between pragmalinguistic and sociopragmatic aspects of politeness; this book returns to the pragmalinguistic side, somewhat neglected in recent work. Drawing on neo-Gricean thinking, Leech rejects the prevalent view that it is impossible to apply the terms polite or impolite to linguistic phenomena. Leech covers all major speech acts that are either positively or negatively associated with politeness, such as requests, apologies, compliments, offers, criticisms, good wishes, condolences, congratulations, agreement and disagreement. Additional chapters deal with impoliteness and the related phenomena of irony, mock politeness and banter, mock impoliteness, and with the role of politeness in the learning of English as a second language. A final chapter takes a fascinating look at more than a thousand years of history of politeness in the English language.

*Cycle Of Discourse* Tantri R. Indhiarti, M.A.; Eni Maharsi, M.A., 2022-12-02 Furthermore, in this book, discourse analysis is treated as a rigorous way in texts that are organised as a series of overviews of the research topics such as narrative media, discourse, gender, and discourse and institutional discourse throughout the social sciences. As seen in the book, the writers set out to answer many kinds of questions about language and about culture and society. It is performed by paying systematic attention to particular contexts and particular sets of utterances. This will help alleviate a problem in teaching discourse analysis: that of ending up with the students who are unable to perform analyses going much beyond paraphrasing. *The Routledge Handbook of Pragmatics* Anne Barron, Yueguo Gu, Gerard Steen, 2017-01-20 The *Routledge Handbook of Pragmatics* provides a state-of-the-art overview of the wide breadth of research in pragmatics. An introductory section outlines a brief history, the main issues and key approaches and perspectives in the field, followed by a thought-provoking introductory chapter on interdisciplinarity by Jacob L. Mey. A further thirty-eight chapters cover both traditional and newer areas of pragmatic research, divided into four sections: Methods and modalities; Established fields; Pragmatics across disciplines; Applications of pragmatic research in today's world. With accessible, refreshing descriptions and discussions and with a look towards future directions, this Handbook is an essential resource for advanced undergraduates, postgraduates, and researchers in pragmatics within English language and linguistics and communication studies.

**The Journal of the American Forensic Association** American Forensic Association, 1986

**Proceedings of the Twentieth Annual Conference of the Cognitive Science Society** Morton Ann Gernsbacher, Sharon J. Derry, 2022-05-16 This volume features the complete text of the material presented at the Twentieth Annual Conference of the Cognitive Science Society. As in

previous years the symposium included an interesting mixture of papers on many topics from researchers with diverse backgrounds and different goals presenting a multifaceted view of cognitive science This volume contains papers posters and summaries of symposia presented at the leading conference that brings cognitive scientists together to discuss issues of theoretical and applied concern Submitted presentations are represented in these proceedings as long papers those presented as spoken presentations and full posters at the conference and short papers those presented as abstract posters by members of the Cognitive Science Society

**Speech Acts in the History of English** Andreas H. Jucker, Irma Taavitsainen, 2008-04-10 Did earlier speakers of English use the same speech acts that we use today Did they use them in the same way How did they signal speech act values and how did they negotiate them in case of uncertainty These are some of the questions that are addressed in this volume in innovative case studies that cover a wide range of speech acts from Old English to Present day English All the studies offer careful discussions of methodological and theoretical issues as well as detailed descriptions of specific speech acts The first part of the volume is devoted to directives and commissives i e speech acts such as requests commands and promises The second part is devoted to expressives and assertives and deals with speech acts such as greetings compliments and apologies The third part finally contains technical reports that deal primarily with the problem of extracting speech acts from historical corpora

*Politics and Identity Formation in Southeastern Nigeria* Apollos O. Nwauwa, Ogechi E. Anyanwu, 2019-05-20 Scholarly studies on the Igbo have been scant and fragmented Politics and Identity Formation in Southeastern Nigeria The Igbo in Perspective fills an obvious gap exploring the social cultural economic political and aesthetic traditions that distinguish the Igbo of southeastern Nigeria from their neighbors In scope content and analysis this book is both multi and cross disciplinary focusing on the experiences and forces that have shaped the Igbo society identity formation and sociocultural political and aesthetic representations Themes such as the importance of Igbo names in understanding the people s social linguistic religious gender and cultural identities as well as the intersection of language politics socialization education and aesthetic expression in the Igbo experience in Nigeria are interrogated in a refreshing fashion with an appreciable level of originality

**Analytic Philosophy of Religion** James Franklin Harris, 2013-03-14 When Gene Long editor of Kluwer s Handbook of Contemporary Philosophy of Religion Series first invited me to write the volume on Analytic Philosophy of Religion I accepted with great enthusiasm My only explanation for that enthusiasm now is that I was younger and more naive at the time Soon after starting work on the volume my enthusiasm was dampened by the daunting magnitude of the task I began as a sprinter and quickly settled into the pace of a long distance runner Although I considered myself well read in the subject I soon discovered that I had a great deal of research to do to be confident that I had considered all of the major contributions to the various discussions issues and of religion As I read more and more problems found within analytic philosophy books and articles I realized that I had rushed into a territory already well trodden by the angels I am greatly impressed by the sophistication and subtlety of philosophical

argument that characterize the different debates in contemporary analytic philosophy of religion This volume covers a vast amount of material I have endeavored to provide the fairest possible reading of different authors and in cases where I include my own critical evaluations and develop my own positions I have endeavored to provide the strongest possible interpretations of the positions I criticize The Southwestern Journal of Philosophy ,1972 Includes the proceedings of the Southwestern Philosophical Society

**Speech Act Classification** T. Ballmer,W. Brennstuhl,2013-03-07 This book presents a new classification of speech acts It is an alter native to all previously published classifications of speech acts The classification proposed here is based on an extensive set of data name lyon all the verbs designating linguistic activities and aspects thereof A theoretically and methodologically justifiable method is used to proceed in a number of steps from these data to the classification The classification is documented in a lexicon with two sections The first section exhibits the classification in all its details Each verb is listed to its meaning at the appropriate place in the classification according The second alphabetically ordered section enables one to locate the verbs classified in the first part The speech act classification as presented in this book has a number of consequences for linguistic theorizing the book makes advances in three linguistically relevant fields speech act theory lexicology and theory of meaning In speech act theory firstly of course a classifica tion is proposed which is theoretically justified and which is simul taneously based explicitly and systematically on linguistic data Second ly a wider concept of speech acts is introduced which proves its value by making possible a linguistically justified classification Thirdly the concept of speech act sequence or more generally partial order is brought into focus as a major organizational principle of the semantic relation between speech acts **Journal of Research on Computing in Education** ,1999 *Dialogue*

*Journal Communication* Jana Staton,1988 The thesis of this volume is that writing done by students who control their own topics who have genuine purposes for writing and have a real known audience is quite different and valuable in its own right It forms a rich source of information about how young students think manage their social interactions and use language with competence to get things done By selecting dialogue journal writing as a corpus for analysis it is possible to observe children s communicative competence in using written language purposefully apart from their ability to master a particular form of writing The central argument is that dialogue journal communication represents a kind of personal literacy prior to and more comprehensive than the particular literacies emphasized and assessed in schools The contents include a practitioner s view of the practice itself and a summary of the research study methods developed to analyze interactive written conversations

**Speech Act Theory and Communication** Phyllis Kaburise,2011-05-25 Speech Act Theory A Univen Study was undertaken to investigate the pragmatic value of the utterances of selected students at the University of Venda South Africa

Utterances of second language users of a language reflect the wealth of their language experiences and hence caution has to be exercised when conducting an investigation into such utterances. It is within this background that this investigation was conducted into the meaning creation strategies and abilities of the participants in this study. The very idiosyncratic utterances investigated demonstrated vividly the multi-dimensional thought process exploited by the creators of these samples. Also demonstrated by the analyses is the nature of communication and the amount of linguistic interaction necessary for interlocutors to create meaning. *Speech Act Performance* Alicia Martínez-Flor, Esther Usó-Juan, 2010-02-10. Speech acts are an important and integral part of day to day life in all languages. In language acquisition the need to teach speech acts in a target language has been demonstrated in studies conducted in the field of interlanguage pragmatics which indicate that the performance of speech acts may differ considerably from culture to culture thus creating communication difficulties in cross cultural encounters. Considering these concerns the aim of this volume is two fold to deal with those theoretical approaches that inform the process of learning speech acts in particular contextual and cultural settings and secondly to present a variety of methodological proposals grounded on research based ideas for the teaching of the major speech acts in second foreign language classrooms. This volume is a valuable theoretical and practical resource not only for researchers teachers and students interested in speech act learning teaching but also for textbook writers wishing to have an informed opinion on the pedagogical implications derived from research on speech act performance. **Clinical Aphasiology** Thomas E. Prescott, 1991. **Clinical Aphasiology** Robert H. Brookshire, 1979. **Clinical Aphasiology**, 1975.

Getting the books **Journal Speech Act Analysis** now is not type of challenging means. You could not deserted going with book hoard or library or borrowing from your contacts to open them. This is an utterly simple means to specifically acquire guide by on-line. ### **Journal Speech Act Analysis Introduction**

Journal Speech Act Analysis Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Journal Speech Act Analysis Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Journal Speech Act Analysis : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Journal Speech Act Analysis : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Journal Speech Act Analysis Offers a diverse range of free eBooks across various genres. Journal Speech Act Analysis Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Journal Speech Act Analysis Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Journal Speech Act Analysis, especially related to Journal Speech Act Analysis, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Journal Speech Act Analysis, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Journal Speech Act Analysis books or magazines might include. Look for these in online stores or libraries. Remember that while Journal Speech Act Analysis, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Journal Speech Act Analysis eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Journal Speech Act Analysis full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Journal Speech Act Analysis eBooks, including some popular titles.

## FAQs About Journal Speech Act Analysis Books

1. Where can I buy Journal Speech Act Analysis books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Journal Speech Act Analysis book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Journal Speech Act Analysis books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Journal Speech Act Analysis audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Journal Speech Act Analysis books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
