Klonopin Lunch A Memoir:

Klonopin Lunch Jessica Dorfman Jones, 2012-07-17 Gritty Dirty Hard core Transformative Funny This is the real Sex and the City By her late twenties Jessica Dorfman Jones had dutifully achieved everything she thought she was supposed to marriage law degree high paying job nice apartment in Greenwich Village But she was miserable and felt like she was living a life that wasn't hers Desperate to change her status quo and figure out who she really was Jessica went about the business of making a change by demolishing the life she knew She threw her good girl image aside and set out to unleash the very bad girl she had never before tried to be Embracing the deliciously debauched world of sex drugs and rock and roll Jessica leaves behind her sweet and well behaved husband for the ultimate bad boy guitar player starts her own band and parties harder than she had ever thought possible She starts a band puts her job in jeopardy and causes her friends and family no end of worry with her illicit behavior And then in the midst of her self created chaos the wildest thing of all happens She figures out who she is who she most definitely is not and what might if she's lucky come next Klonopin Lunch is Jessica's wickedly funny and uncensored journey down the rabbit hole and back out again into a life that at last makes her truly happy Auto Bio

Nobody Part II a Narrative Memoir Rasheed Soofi, MD, 2021-08-20 The days of our lives have many similarities with a game of poker where a hand that is dealt is akin to a day we wake up into every morning Some hands are sure winners and need no skill to win some hands would have to be folded at the start no matter who is playing that hand It is only in between these two extremes that gives the game the thrill it beholds and a skilled player walks away with his head up It does not matter at what minimum bet table the game is played at The game and its rules are the same except with different scale of win or loss Each one of our days regardless of our social or economic class or the geography we are in are dealt to us without prejudice or intention by the conscious less nature Accepting it gracefully as the hand is dealt and playing it the best we know how to is the essence of being harmonious with the unconscientious universe that surrounds us Folding on some days is a part of the game and is not being out of the game and submitting to the outcome of the game without self persecution or infliction upon others is also a part and the end part of the game A man aware of the nature of the game would not bicker when down and would not boast when he is up it is only a game how honorably and harmlessly to others it is played is what makes one player different from others Rasheed Soofi MD *Atomic Love: A Heavy Metal Memoir* Jessie Rose, 2019-12-11 Dark Terrifying Compelling Los Angeles 1986 Jenny Stone a blossoming art student is lured into the L A underground by a blue haired goth street artist with a purse full of drugs and a not so lucky rabbit's foot Lost she lands at the feet of a charismatic rock star Evan Reed Not a Sunset glam rocker Evan is the lead singer of rock n roll's loudest angriest band embodying the dark side of the The Strip Handsome charming and enthralled with the young artist he wants her paintings then he wants her A dangerous cocktail of narcissistic love bombing and manipulation keeps her in his orbit His demons and need for control threaten every aspect of their lives together There were warnings one red flag after another Yet Jenny is pulled into money

fame and excess Will she survive or succumb to the violence that surrounds her Atomic Love is Sharp Objects meets heavy metal memoir and will appeal to fans of Gone Girl and Caroline Kepnes's You **New Books on Women and Feminism**, 2015 I Could Name God in Twelve Ways Karen Salyer McElmurray, 2024-09-10 I could dream in poetry could summon words for spiritual experience could name God in twelve ways and in ten times and places in history Award winning writer Karen Salyer McElmurray details her life's journey across continents and decades in a poetic collection that is equal parts essay as memoir memoir as K nstlerroman and travelogue as meditation It is about the deserts of India A hospital ward in Maryland The blue seas of Greece A greenhouse in Virginia It is about the spirit houses of Thailand The mountains of eastern Kentucky The depths of the Grand Canyon A creative writing classroom in Georgia An attic in a generations old house It is about coming to terms with both memory and the power of writing itself At turns lyrical poignant and alluring McElmurray probes her personal history from the stance of different places perspectives and vulnerabilities as she tenderly and fiercely searches for acceptance and a place to call home Dying to Teach Jeffrey Berman, 2012-02-01 In Dying to Teach Jeffrey Berman confronts the most wrenching loss imaginable the death of his beloved wife Barbara Through four interrelated narratives how Barbara wrote about her illness in a cancer diary how he cared for her throughout her illness how his students reacted to his disclosure that she was dying and how he responded to her death Berman explores his efforts to hold on to Barbara precisely as she was letting go of life Intensely personal Dying to Teach affirms the power of writing to memorialize loss and work through grief and demonstrates the importance of death education teachers and students writing and talking about a subject that until now has often been deemed too personal for the classroom **Death Grip** Matt Samet, 2025-06-25 Death Grip chronicles a top climber's near fatal struggle with anxiety and depression and his nightmarish journey through the dangerous world of prescription drugs Matt Samet lived to climb and craved the challenge risk and exhilaration of conquering sheer rock faces around the United States and internationally But Samet's depression compounded by the extreme diet and fitness practices of climbers led him to seek professional help He entered the murky inescapable world of psychiatric medicine where he developed a dangerous addiction to prescribed medications primarily benzos or benzodiazepines that landed him in institutions and nearly killed him With dramatic storytelling persuasive research data and searing honesty Matt Samet reveals the hidden epidemic of benzo addiction which some have suggested can be harder to quit than heroin Millions of adults and teenagers are prescribed these drugs but few understand how addictive they are and how dangerous long term usage can be even when prescribed by doctors After a difficult struggle with addiction Samet slowly makes his way to a life in recovery through perseverance and a deep love of rock climbing Conveying both the exhilaration of climbing in the wilderness and the utter madness of addiction Death Grip is a powerful and revelatory memoir Cancer, I'll Give You One Year Jennifer Spiegel, 2020-01-21 Cancer I ll Give You One Year A Non Informative Guide To Breast Cancer A Writer's Memoir In Almost Real Time is not about eating kale The book is 100 percent

narrative nonfiction and 0 percent self help It was actually written for the author s children in case she died This sounds morbid but maybe pointed and candid are better words Embracing candor as an aesthetic this real time story hits upon the sacred the profane a trip to Epcot a colonoscopy her kids responses to everything and O J Simpson s parole hearing Writing centric voice driven and conscious of a death sentence no diets or exercises are offered but the author may give horrible parenting advice It s undoubtedly funny but also a meditation on meaning Pampered to Death Laura Levine,2011-10-24 When freelance writer Jaime Austen is surprised with an her luxe spa getaway she and her feline pal Prozac are eager to hit the road and bask in a week of pampering and pedicures But what she gets is a California fat farm in disguise complete with celery juice cocktails humiliating weigh ins and a zero tolerance position on carbs Among her bulge battling companions is Mallory Francis a B list movie star with a knack for making frenemies When she s found strangled during a seaweed wrap gone awry Jaime is hard pressed to think of anyone who couldn t have done it While the suspects mount faster than her hunger pangs Jaime s search for truth justice and contraband calories leads her straight to a cold blooded killer where murder may be on the menu once again Her books are so outrageously funny they always make me laugh out loud Joanne Fluke Praise for Laura Levine s Jaime Austen series Delightful Jaime s wit shines throughout Publishers Weekly on Pampered to Death If you love a good mystery this book is for you New York Journal of Books on Death of a Trophy Wife This will turn out to be a long series likely to be compared to Janet Evanovich for its humor I Love a Mystery on This Pen for Hire

Primates of Park Avenue Wednesday Martin,2016-05-31 Like an urban Dian Fossey Wednesday Martin decodes the primate social behaviors of Upper East Side mothers in a brilliantly original and witty memoir about her adventures assimilating into that most secretive and elite tribe After marrying a man from the Upper East Side and moving to the neighborhood Wednesday Martin struggled to fit in Drawing on her background in anthropology and primatology she tried looking at her new world through that lens and suddenly things fell into place She understood the other mothers snobbiness at school drop off when she compared them to olive baboons Her obsessional quest for a Hermes Birkin handbag made sense when she realized other females wielded them to establish dominance in their troop And so she analyzed tribal migration patterns display rituals physical adornment mutilation and mating practices extra pair copulation and more Her conclusions are smart thought provoking and hilariously unexpected Every city has its Upper East Side and in Wednesday s memoir readers everywhere will recognize the strange cultural codes of powerful social hierarchies and the compelling desire to climb them They will also see that Upper East Side mothers want the same things for their children that all mothers want safety happiness and success and not even sky high penthouses and chauffeured SUVs can protect this ecologically released tribe from the universal experiences of anxiety and loss When Wednesday s life turns upside down she learns how deep the bonds of female friendship really are Intelligent funny and heartfelt Primates of Park Avenue lifts a veil on a secret elite world within a world the exotic fascinating and strangely familiar culture of privileged Manhattan motherhood **Klonopin**

Withdrawal & Howling Dogs: Maybe it was God Audrey Anne Wagner, 2014-10-03 At age 28 I tapered off Klonopin the tranquilizer I d taken for 14 months Unable to sleep and days away from my last dose I moved in with my parents and their nine pets in California Mom thought she could heal me with raw food and holistic clinic trips Family members tried to get me back on drugs I was losing the faith that had been introduced to my family through unusual circumstances My parents planned a cross country move and I didn t believe I d be alive to make the trip This is my story **The Gilded Razor** Sam Lansky, 2016-01-12 By the age of seventeen Sam Lansky was an all star student with Ivy League aspirations in his final year at an elite New York City prep school But a nasty addiction to prescription pills spiraled rapidly out of control compounded by a string of reckless affairs with older men leaving his bright future in jeopardy After a terrifying overdose he tried to straighten out Yet as he journeyed from the glittering streets of Manhattan to a wilderness boot camp in Utah to a psych ward in New Orleans he only found more opportunities to create chaos until finally he began to face himself Memoirs of an Addicted Brain Marc Lewis, 2012-01-25 A gripping triumphant memoir about the power of addiction and its effect on the brain Marc Lewis knows addiction that desperate ambition to get high accompanied him around the world for many years In the 1960s Lewis was a teenager in boarding school experimenting with cough syrup and alcohol to assuage his depression When he moved to Berkeley California the pulsing heart of the counter cultural movement he began using LSD and heroin His spiralling journey of addiction eventually led him to Asia where he sniffed nitrous oxide in the Malay jungle took speed in Kuala Lumpur and lost himself in the opium dens of Calcutta This was the beginning of his descent into a moonlit world of crime poverty and desperation Returning to Toronto Lewis lived a double life by day he was a psychology student and by night he stole from homes and laboratories to get high Thirty four years on Lewis is a neuroscientist and he studies the brains of troubled children But he never forgets that he was once one of those kids and that no matter how many scientific conferences he attends he always will be In this mesmerising memoir Lewis recounts his relationship with drugs from the inside out giving a revelatory analysis of the chemical changes in his brain that sustained his addiction This is not just the story of a man who found his calling while fighting a habit that crossed continents and brought him in contact with the wilder edges of life It is also a penetrating powerful analysis of addiction offering a fascinating insight into the human brain and what drives it to self destruction
