*VGC: The 2025 Guide to Video Games* 1981 Media Ltd, 2025-05-30 Relive 2024's gaming highs, lows, and industry upheavals with this expertly curated year in review. There's no such thing as a quiet year in video games, and 2024 has been no different. For players, a steady stream of high-profile game releases has meant there's always been something new to play, regardless of what console, handheld, PC, or mobile device they were using. Meanwhile, behind the scenes, 2024 has been one of the most turbulent years in the history of the games industry, with widespread job losses, studio cuts, acquisitions, and other controversies. Video Games Chronicle, the expert source for video game news, has covered 2024's goings-on every step of the way, and this book summarises the entire year in one handy volume. Designed like an old-school games magazine, this book presents the VGC website's best coverage of 2024 in a more traditional format. Our News section takes you through all the major stories that took place throughout the year, allowing you to relive every moment, for better or worse. Our Reviews section contains every notable VGC game review from 2024, remastered and presented to you in physical form. We're big on preservation, you see. Our Features section offers some of our best long-form articles from the past year. Finally, our Previews section takes a look at some of the games coming in 2025. The world of online games media is a fast-moving one, and news and reviews usually arrive at breakneck speed, then disappear from our consciousness to be replaced with the latest stories. With this book, we hope to provide a more permanent summary of the year while also harking back to the days of the games magazines we loved so much.

*Luigi's Mansion 3* Paul & Maxwell, 2020-04-08 Luigi never seems to learn his lesson. It's been 18 years since he was first lured to a haunted house and tortured by its spooky inhabitants. Now, having been duped again, he's trapped in an even bleaker building, the Hotel of Last Resort, as he races to rescue a familiar cast of Mushroom Kingdom characters. Although it treads very familiar ground to its predecessors, there's a lot to love in the third installment of the adventure series that lets Mario's timid twin take charge. You still guide the character through uniquely themed sections of the building, relying on his flashlight and multi-functional Poltergust vacuum to rid the place of ghosts.
