Introduction to Managerial Accounting 6e by Brewer Garrison Noreen is based on the market leading text Managerial Accounting by Garrison Noreen and Brewer. Brewer 6e is a briefer, more accessible and thoroughly student friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow up course cost accounting cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand author written supplements, excellent readability, terrific examples and balanced end of chapter material. In addition, Connect Accounting for Brewer Garrison Noreen has been expanded with new learning resources for your students. *Managerial Accounting with Connect Plus* Ray Garrison, Eric Noreen, Peter Brewer, 2011-04-11. As the long time #1 best seller, Garrison has helped guide close to 3 million students through managerial accounting since it was first published. It identifies the three functions managers must perform within their organizations: plan, operations, control, activities and make decisions and explains what accounting information is necessary for these functions, how to collect it and how to interpret it. Garrison's Managerial Accounting is known for its relevance, accuracy and clarity. It is also unique in that the authors write the most important supplements that accompany the book: solutions manual, test bank, instructor's manual and study guide, making them both of high quality and extremely consistent with the textbook.
