Rubin, 2017-07-05 Introducing the concept of music and painting as rival sisters during the nineteenth century this interdisciplinary collection explores the productive exchange from rivalry to inspiration to collaboration between the two media in the age of Romanticism and Modernism The volume traces the relationship between art and music from the opposing claims for superiority of the early nineteenth century to the emergence of the concept of synesthesia around 1900 This collection puts forward a more complex history of the relationship between art and music than has been described in earlier works including an intermixing of models and distinctions between approaches to them Individual essays from art history musicology and literature examine the growing influence of art upon music and vice versa in the works of Berlioz Courbet Manet Fantin

 douard Manet s paintings have long been recognized for being visually compelling and uniquely recalcitrant While critics
 have noted the presence of family members and intimates in paintings such as Le D jeuner sur l herbe Nancy Locke takes an
 unprecedented look at the significance of the artist s family relationships for his art Locke argues that a kind of mythology of
 the family or Freudian family romance frequently structures Manet s compositional decisions and choice of models By
 looking at the representation of the family as a volatile mechanism for the development of sexuality and of repression conflict
 and desire Locke brings powerful new interpretations to some of Manet s most complex works Locke considers for example
 the impact of a father son drama rooted in a closely guarded family secret the adultery of Manet p re and the status of L on
 Leenhoff Her nuanced exploration of the implications of this story that Manet in fact married his father s mistress makes us
 look afresh at even well known paintings such as Olympia This book sheds new light on Manet s infamous interest in gypsies
 street musicians and itinerants as Locke analyzes the activities of Manet s father as a civil judge She also reexamines the
 close friendship between Manet and the Impressionist painter Berthe Morisot who married Manet s brother Morisot becomes
 the subject of a series of meditations on the elusiveness of the self the transience of identity and conflicting concerns with
 appearances and respectability Manet and the Family Romance offers an entirely new set of arguments about the cultural
 forces that shaped these alluring paintings **The Romance of Modernism** George T. M. Shackelford,2006 Essay by
