

The background of the book cover is a detailed landscape painting. A two-lane asphalt road stretches from the bottom center towards the horizon, where it meets a bright, glowing sun. The sky is filled with soft, colorful clouds in shades of orange, pink, and blue. The landscape on either side of the road features rolling green hills, scattered trees, and a few small white buildings in the distance. The overall atmosphere is peaceful and evocative of a summer evening.

Meacutemoires Despoir Tome Le Renouveau:

Britain, France and the Battle for the Leadership of Europe, 1957-2007 Richard Davis, 2023-08-04 The book gives an account of an essential part of Britain's troubled relationship with the rest of Europe after 1945 particularly considering the rivalry of France and Britain between 1945 and 2007 The record of Britain's relations with the rest of Europe and in particular with France from 1945 onwards was seen by the politicians and diplomats in charge of foreign policy very much in terms of a diplomatic battle This is paradoxical given that European integration was supposedly aiming to create a European community Although Britain has usually been seen as an at best half hearted participant in European integration it nonetheless maintained its ambition to assume the leadership of Europe This inevitably led to a confrontation with France which shared the same goal This book begins by looking at the opposing ways in which these two ancient European rivals presented very different models for the sort of Europe they wished to see emerge It goes on to consider the record of their rivalry between 1945 and 2007 After this Britain effectively gave up the battle for the political leadership of Europe This however should not obscure the fact that it had succeeded in imposing many of its social and economic models on Europe This volume will be of interest to both undergraduate students and general readers interested in Britain's position in Europe
