Forest Prayer Gerald Inmon, 2022-04-14 Forest Prayer is a conversationally steered and character driven life story with the protagonist growing up and older while looking for the Lord Having a few Christian mentors and a few mentors who appear to be agnostic Jerry struggles his whole life through trying to distinguish between what he often feels is an infestation of Christianity along with what he knows is his infatuation with forestry and his obsession with wildlife management Thinly disguised as Jerry I had the following supporting characters Papa my grandfather and Baptist preacher who was close to God in more ways than one Uncle Sawyer my saw boss who insisted that the cure to all our problems was out there in the woods waiting for us to find Ol Professor Starlet who was the forestry teacher who turns out to know more than we first thought when meeting him the good Dr Frank who is perhaps the world's leading international forester and Patsy who is my main confidant still today after over fifty years of awesome marriage Instead of reading or writing fiction or nonfiction the fun of this genre that I like to call faction is that we get to enjoy living life over again but doing it better If you share one of these true life experiences with me for real and recognize my story is more like the way things should have been it is Rather than part of a bucket list this is part of my to do list of testimonies for Our Lord and Savior Jesus Christ So I ask that those of you who knew me before my life became undergirded with Christianity to please remember that both Colossians and the Lord's Prayer tell us that we are to forgive one another as Christ forgave us Locations of verses within Bible books are specifically

omitted in hopes that it might encourage the reader to spend more personal time in the Good Book for him or herself As directed by the Holy Bible not to add or take away anything from the Word I have made that effort to the best of my ability If I ve accidentally missed added or misrepresented anything then I ask that you and God please forgive me God help me if this causes harm to anyone s faith Author s liberty includes the following four grammatical variances for the following reasons 1 incorrect grammar and incorrect spelling are sometimes used to better reflect characters times and places After all what s not about Christ is about people 2 italics used all over the place are to emphasize words phrases and much more like out of respect for the various names of God verses in the Bible books of the Bible quotes whether verbatim or paraphrased and even sometimes in lieu of quotation marks or for periodic words that rhyme 3 overuse of ellipsis is because Psalm does say to be still and it seems the characters in the book often want you to slow down a fraction of a second longer than you might for a mere comma 4 types or names of trees are capitalized and italicized as it does take them to make a forest Other books by Gerald Inmon are Yocona Puff Adder ISBN 0 9774864 3 5 and Camp Re Form ISBN 0 9774864 7 2 First edition books of these two are still available in hardback hard copy by e mailing to gpinmon olemiss edu or electronically through Amazon Kindle or Barnes and Noble s Book Nook
