Junior Wace 2013:

Factors contributing to academic performance of students in a Junior High School Anthony Abaidoo, 2018-11-22
Bachelor Thesis from the year 2018 in the subject Pedagogy School System Educational and School Politics grade 5 GHA
System University of Education Distance Learning course Post Graduate Diploma in Education language English abstract
Students academic performance is a key feature in education This study was therefore conducted primarily to assess the
factors contributing to improvement in academic performance of Junior High Students JHS in a Basic School which is in the
Gomo East District in the Central Region of Ghana The mixed and descriptive research design was used and a sample size of
87 respondents 79 students and 8 teachers were selected through random sampling technique The findings revealed that the
average academic performance 47 0% of the JHS students in the Basic School is weak and their performance in Mathematics
average score of 31 48% and English Language average score of 39 99% is a fail It was noticed that student factors that
contribute to an improvement in academic performance include regular studying self motivation punctuality and regular
class attendance hard work and interest in a subject The teacher factors were completion of syllabus use of TLM s frequent
feedback to students and given students special attention Per the findings parent factors which was very key was parent
showing concern in their children s academics and providing them their academic needs School factors that were significant
included availability of text books and TLM s The study also found that parent level of education and gender has a positive
relationship with academic performance but it s insignificant However age has a positive significant 5% significance level
relationship with academic performance Based on findings the study recommends that there should be strict monitoring on
teachers to vary their teaching methods to suit their needs of the students and also to provide the students with constant
feedback on their academic performance Again the students should be motivated and orientated to take ownership of their
studies by having regular studies and attending school during school days

Teen Lives around the World Karen Wells, 2019-11-08 This two volume encyclopedia looks at the lives of teenagers around the world examining topics from a
typical school day to major issues that teens face today including bullying violence sexuality and social and financial
pressures Teenagers are living in a rapidly changing and increasingly interconnected yet unequal world Whether they live in
Australia or Zimbabwe they have in common that they are between childhood and adulthood and increasingly aware of how
inequality is affecting their lives and futures This encyclopedia gives a different perspective based on the experiences of
teens in 60 countries Each entry gives the reader a brief sketch of a country to help readers to understand how geography
history economics and politics shape teen life The entries include a country overview and cover the following topics
Schooling and Education Extracurricular Activities Art Music and Sports Family and Social Life Religions and Cultural Rites
of Passage Rights and Legal Status and Issues Today Special sidebars called Teen Voices appear throughout the text and
include a description of a typical day in the life of a teen in various countries Students will be able to gain a better

understanding of what life is like around the world for their peers and will be able to easily make cross cultural comparisons between different countries *French Language Politics and Education in Nigeria* Michael Akinpelu,Tunde Ajiboye,2025-10-02 Highlights the current trends and challenges of French learning in Nigeria s formal education system
