Just Another Spiritual :

The New Creation Felipe Guzman, 2019-10-22 We are born into this world as a triune being with a body soul and spirit Our physical body allows us to live within the physical realm and our soul is the director of all our mental and physical labor It is our spirit that gives life or allows us to be alive which in turn allows our conscious soul and physical body to live breathe and move Upon death our physical body remains in this physical realm however our soul and spirit will continue on for all eternity within the spiritual realm Our spirit and soul are two separate immaterial entities and need to be separated for the purpose of the human spirit to become the gateway for the entrance of God s Holy Spirit into the human spirit This is the born again experience that leads a person to become a new creation of God The spiritual rebirth of the human spirit is the only way one can enter God s heavenly kingdom and the only way the human spirit can go through the spiritual rebirth is by allowing God s Holy Spirit entrance into their spirit The only way that God s Holy Spirit will enter a person s spirit is by that person believing that Jesus Christ God incarnate died for their sins and the sins of the world thus removing the penalty of judgment of God s wrath upon those who chose to believe and accept Jesus Christ as their personal Lord and Savior This book gives biblical support for the reality of the triune composition of humanity and the function and destiny of each The Power of Illumination From a Godly Perspective Dr. Wisner Joseph Philemy MD, 2022-08-01 This manuscript is not intended by no means to talk about me though I have been through the tribulations and had faced deaths on too many occasions to mention a few its sole purpose is to glorify and acknowledge the omnipresence and omnipotence of the Lord Almighty God the Father the Son of God and the Holy Spirit of God and also to admit that the light shines for specific reasons though calling the Supreme Being through different names will surely generate different results What about the Master of Life and there is another entity when he is around everything is in tune and everyone wants to charm him The Master of the Universe through him things and functioning are just different you are forced into doing something and taking actions When the Morning Star is fully activated around you you cannot help it or do otherwise but shine The Son of God the Savior of the world is truly alive and well and he is glorious if today was another day I would have expressed myself differently about him Dr Wisner Joseph Philemy MD multicultural background trained in the field of medicine psychiatry to be more specific wonders were happening in and out of the hospital and the Lord Almighty has been walking with us in a sense just like Moses or Prophet Elijah we are yet to know our spiritual identity though we are identified as an angel random acquaintances have transformed just by being in contact with our virtues or because we were too quick in releasing those blessings or enlighten somebody In most occasions those people would shine at our expense or nothing would change for us and everything for them Brain have been transformed people have been converted into angelic types or at least with angelic prowess By the time you read some pages of this manuscript you would find yourself functioning at a different horizon for the better This material is safe for everyone and it is protected under the rules of law on publication All rights reserved Copyright Oct 11
