Just Like The Movies Kelly Fiore:

Just Like the Movies Kelly Fiore, 2014-07-22 Why can't life be like the movies This fresh fun looking for love story takes its cues from the silver screen

Pretty in Punxsutawney Laurie Boyle Crompton, 2019-01-15 The only thing worse than the first day of senior year at a new high school is reliving it over and over again This Groundhog Day meets Pretty in Pink mashup has Andie using all of her film knowledge to find out how to break the curse Could it be true love's first kiss Or is it reconciling with her own misconceptions Only time will tell Andie is the type of girl who always comes up with the perfect thing to say after it's too late to say it In a disastrous first day full of mishap at her new high school in Punxsutawney PA she just wants to disappear Her passion and knowledge of movies from rom coms to suspense and everything in between made her think a fresh start would be easy and maybe lead to her first kiss When she wakes up caught in an endless loop of her first day at her new school Andie decides to take matters into her own hands and find a way to stop the time loop whatever it takes Convinced the curse will be broken when she meets her true love Andie embarks on a mission infiltrating the various cliques from the jocks to the nerds to the misfits to find the one boy who can break the spell What she discovers along the way is that people who seem completely different can often share the very same hopes dreams and hang ups And that even a day that has been lived over and over can be filled with unexpected connections and plenty of happy endings Pretty in Punxsutawney Includes tropes of coming of age first kiss first crush true love and misfits Addresses social issues of self discovery navigating cliques and overcoming stereotypes Is an homage to beloved 80s movies such as John Hughes The Breakfast Club Sixteen Candles and Pretty in Pink Is perfect for fans of This Is Kind of an Epic Love Story by Kacen Callender or The Do Over by Jennifer Honeybourn Is a 2020 YALSA Quick Pick for Reluctant Young Adult Readers

Everything but the Truth Mandy Hubbard, 2015-11-17 Enjoy Everything but the Truth and the other standalone titles in Bloomsbury's contemporary If Only romance line centered around an impossible problem you always want what you can't have Holly Mathews mom is the new manager of a ritzy retirement home and they just moved in which means Holly's neighbors are all super rich retirees Still it's not a total bust because gorgeous notorious Hollywood playboy Malik Buchannan is the grandson of one of the residents Just one problem when they meet Malik assumes Holly's there to visit her own rich relative She doesn't correct him and it probably doesn't matter because their flirtation could never turn into more than a superficial fling right But the longer Holly lives in Malik's privileged world the deeper she falls for him and the more difficult it becomes to tell the truth because coming clean might mean losing Malik forever For anyone who has dreamed of their own Cinderella story this title in the If Only romance line is about how when it comes to true love the best person to be is yourself

Stork, 2019-04-09 Who better to raise teens awareness of mental illness and health than the YA authors they admire Booklist starred review A much needed enlightening book School Library Journal starred review Your favorite YA authors including Ellen Hopkins Maureen Johnson and more recount their own experiences with mental health in this raw real and powerful collection of essays that explores everything from ADD to PTSD Have you ever felt like you just couldn t get out of bed Not the occasional morning but every day Do you find yourself listening to a voice in your head that says you re not good enough not good looking enough not thin enough or not smart enough Have you ever found yourself unable to do homework or pay attention in class unless everything

is just so on your desk Everyone has had days like that but what if you have them every day You re not alone Millions of people are going through similar things However issues around mental health still tend to be treated as something shrouded in shame or discussed in whispers It s easier to have a broken bone something tangible that can be fixed than to have a mental illness and easier to have a discussion about sex than it is to have one about mental health *Life Inside My Mind* is an anthology of true life events from writers of this generation for this generation These essays tackle everything from neurodiversity to addiction to OCD to PTSD and much more The goals of this book range from providing a home to those who are feeling alone awareness to those who are witnessing a friend or family member struggle and to open the floodgates to conversation *Taste Test* Kelly Fiore,2013-08-27 If you can grill it smoke it or fry it Nora Henderson knows all about it She s been basting baby back ribs and pulling pork at her father s barbeque joint since she was tall enough to reach the counter When she s accepted to *Taste Test* a reality television teen cooking competition Nora can t wait to leave her humble hometown behind even if it means saying good bye to her dad and her best friend Billy Once she s on set run ins with her high society roommate and the maddeningly handsome not to mention talented son of a famous chef Christian Van Lorten mean Nora must work even harder to prove herself But as mysterious accidents plague the kitchen arena protecting her heart from one annoyingly charming fellow contestant in particular becomes the least of her concerns Someone is conducting real life eliminations and if Nora doesn t figure out who she could be next to get chopped for good With romance and intrigue as delectable as the winning recipes included in the story this debut novel will be devoured by all **The Complete**
