Reading Programs for Young Adults Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs Writers for Young Adults Theodore W.
