Juste Agrave Temps:

High and Dry Robert Nold, 2008-01-01 Leavened with humor and rueful wisdom Nold's pithy descriptions zero in on each plant's outstanding ornamental characteristics while giving the reader an accurate idea of what to expect from the plant's performance in the garden Although Nold addresses himself primarily to western gardeners anyone with an interest in hardy drought tolerant plants will find in these pages an abundance of tempting possibilities with which to experiment

BOOK JACKET *A Grave in the Air* Stephen Henighan, 2007 Sweeping from Nazi Germany in 1939 to the war in Bosnia in the 1990s Stephen Henighan's *A Grave in the Air* is a masterful sequence of stories In these tales dominated by Central and Eastern European themes readers are transported across borders and into the lives of characters who have something serious at stake people enmeshed in acts of destruction and people redeemed through honour and grace These narratives bear Henighan's cosmopolitan stamp but they do not take place in a sanitized global village There are no stereotypes on which to hang a plot no filtered sense of the human condition There are stories of betrayal such as *Beyond Bliss* where a young British woman uses sex duplicity and her connections to an Eastern European exile to become a partner in a Canadian literary press luminous studies of introspection and character such as *Freedom Square* in which a Romanian photographer's desire to escape her mother country yields to surrender to it and ironic stories of historical displacement such as *A Sense of Time* in which an erotic memory takes life for a Canadian expatriate in England and *Duty Calls* where a Hungarian Montrealer experiencing divorce becomes the unsuspecting catalyst for another couple's commitment The two long stories which bracket the collection summarize its themes In the opening story a British businessman relies on the sporting spirit to try to avert the onset of the Second World War in the title story a weary foreign correspondent shaken by his encounter with a band's disturbing groupie must face his own truth about ethnic cleansing in Bosnia Whether moving readers to reflection or providing engaging entertainment Henighan's prose is sharp and clean Once again he is as instructive in his understanding of peoples and cultures as he is instinctive in taking us inside the worlds that shape them
