A Functional Theory of Government, Law, and Institutions Kalu N. Kalu,2019-07-12 This book examines the notion that while states may differ in terms of ideology economic system and institutional architecture their role as an organizing framework for system wide political action and international relations is contingent on a series of competing and oftentimes mutually exclusive factors This work clarifies factors that contribute to our understanding of the critical roles of systemic and sub systemic elements of society and how they reinforce the reciprocal problems of human and social organizations and the institutionalization processes that help to constrain them **Expert Witness in the Legal System: A Scientist's Search**

for Justice , Civil Justice, Privatization, and Democracy Trevor C.W. Farrow,2014-01-01 Privatization is occurring throughout the public justice system including courts tribunals and state sanctioned private dispute resolution regimes Driven by a widespread ethos of efficiency based civil justice reform privatization claims to decrease costs increase speed and improve access to the tools of justice But it may also lead to procedural unfairness power imbalances and the breakdown of our systems of democratic governance Civil Justice Privatization and Democracy demonstrates the urgent need to publicize politicize debate and ultimately temper these moves towards privatized justice Written by Trevor C W Farrow a former litigation lawyer and current Chair of the Canadian Forum on Civil Justice Civil Justice Privatization and Democracy does more than just bear witness to the privatization initiatives that define how we think about and resolve almost all non criminal disputes It articulates the costs and benefits of these privatizing initiatives particularly their potential negative impacts on the way we regulate ourselves in modern democracies and it makes recommendations for future civil justice practice and reform Redemptive Memory

Fran Leeper Buss,2024-11-12 This powerful last work by pioneering oral historian Fran Leeper Buss examines how painful memories of traumatic experiences can be transformed into positive action for social good In her more than 40 years gathering the life stories of working class women Buss found commonalities in the ways in which her subjects faced structural inequalities of race class and gender as well as sufferings caused by poverty child abuse gun violence and war Some of these women subsequently went on to become participants and leaders in a variety of movements for social change In this wide ranging book Buss shows how her subjects employed storytelling art spirituality and other methods to create sense and meaning from traumatic memories and then make positive contributions to movements for labor rights sanctuary for Central American refugees gun violence prevention peace and other causes Buss also relates her own story of medical malpractice and disability and discusses the work of historical and contemporary thinkers on the concepts underlying her ideas She provides unique and original insights into how women who have endured great trauma are able to redeem their memories through communal action for a better world **AI and IA** Ted Peters,2019-09-01 Will advances in AI

Artificial Intelligence or IA Intelligence Amplification lead to the extinction of the human race as we know it Or will superintelligence lead to utopia In this collection of thoughtful essays we must first get clear on the question is artificial intelligence actually intelligent or not Only with an affirmative answer could our techies proceed toward their goal the creation of a superintelligence that leads through transhumanism to a posthuman entity that would replace today s human Should today s moderately intelligent human species voluntarily go extinct to make way for a more intelligent species to succeed us in evolutionary history These scientific questions are addressed in this volume in light of their theological ethical and social implications

The Tyranny of Merit Michael J. Sandel, 2020-09-15 A Times Literary Supplement s Book of the Year 2020 A New Statesman s Best Book of 2020 A Bloomberg s Best Book of 2020 A Guardian Best Book About Ideas of 2020 The world renowned philosopher and author of the bestselling Justice explores the central question of our time What has become of the common good These are dangerous times for democracy We live in an age of winners and losers where the odds are stacked in favor of the already fortunate Stalled social mobility and entrenched inequality give the lie to the American credo that you can make it if you try The consequence is a brew of anger and frustration that has fueled populist protest and extreme polarization and led to deep distrust of both government and our fellow citizens leaving us morally unprepared to face the profound challenges of our time World renowned philosopher Michael J Sandel argues that to overcome the crises that are upending our world we must rethink the attitudes toward success and failure that have accompanied globalization and rising inequality Sandel shows the hubris a meritocracy generates among the winners and the harsh judgement it imposes on those left behind and traces the dire consequences across a wide swath of American life He offers an alternative way of thinking about success more attentive to the role of luck in human affairs more conducive to an ethic of humility and solidarity and more affirming of the dignity of work The Tyranny of Merit points us toward a hopeful vision of a new politics of the common good
